- 4.6** All Employees will be classified in accordance with the Agreement, but where there is no apparent classification for an Employee or for an Employee performing particular work, the appropriate classification will be determined by the Panel in accordance with clause 14.

5. Coverage

This Agreement covers:

- (a) the Employers as defined in subclause 4.1(t) (Definitions);
- (b) all Employees as defined in subclause 4.1(s) (Definitions); and
- (c) if they are named by the Commission as covered by the Agreement, each of the Unions as bargaining representatives for this Agreement.

- 6.1** The terms of this Agreement will apply to the work and employment of all Employees, except where expressly stated otherwise.
- 6.2** The Appendices attached to this Agreement form part of this Agreement.
- 6.3** This Agreement is not intended to exclude any part of the NES or to provide any entitlement which is detrimental to an Employee's entitlement under the NES. For the avoidance of doubt, the NES prevails to the extent that any aspect of this Agreement would otherwise be detrimental to an Employee.
- 6.4** Nothing in this Agreement, including clause 9 (No Extra Claims), is intended to prevent the concurrent operation of the Safe Patient Care Act and this Agreement unless either of the conditions in subclauses 105.1(a) or 105.1(b) (Interaction with Safe Patient Care Act) of this Agreement are met.

7. Date and Period of Operation

- 7.1** This Agreement will operate seven days after the date upon which it is approved by the Commission.

- (c) they will not pursue any extra claims during the term of this Agreement; and
- (d) nothing in this clause 9 limits the operation of clause 105 (Interaction with the Safe Patient Care Act) of this Agreement.

9.2 Subject to an Employer meeting its obligations to consult arising under this Agreement or a relevant contract of employment, it is not the intention of subclause 9.1(c) to inhibit, limit or restrict an Employer's right or ability to introduce change at the workplace.

9.3 Replacement Agreement

The Employers agree to commence discussions with the Unions no later than six months prior to the nominal expiry date of this Agreement. Provided that any claim made by a person covered by this Agreement during this period is not supported by industrial action, subclause 9.1(c) does not prevent a person covered by this Agreement from making a claim during the six month period (or such earlier period as may be agreed) prior to the nominal expiry date of this Agreement. Such discussions will be undertaken in good faith for the purpose of concluding a replacement agreement to this Agreement to operate from the nominal expiry date of this Agreement.

10. Anti-Discrimination

10.1 Those covered by this Agreement respect and value the diversity of the work force and protection against unfair treatment and discrimination on the basis of race, colour, sex, sexual orientation, breastfeeding, gender identity, intersex status, an experience of family or domestic violence, age, physical or mental disability, marital status, family or carer responsibilities, pregnancy, religion, political opinion, national extraction or social origin.

- (a) any different treatment (or treatment having different effects) which is specifically exempted under Commonwealth or State anti-discrimination legislation;

- (h) the VHIA.

The GBSC may, by unanimous agreement of its sitting members, also include other health sector unions who are not covered by this Agreement to meet the objectives at clause 10A.2.

10A.5 The Employer's gender equity activities, including Audit and Action Plan will be a standing agenda item at WIC meetings.

PART B – CONSULTATION, DISPUTE RESOLUTION AND DISCIPLINE

11. Consultation

Nothing in this clause 11 limits the Employer's obligations to consult with HSRs under the OHS Act.

11.1 Consultation regarding Major Change

- (a) Where an Employer proposes a Major Change that may have a Significant Effect on an Employee or Employees, the Employer will consult with the Affected Employee/s, the Union, and the Employee's other chosen representative (where relevant) before any proposed change occurs.
- (b) Consultation will, where reasonably practicable, include consultation with those who are absent on leave including on workers' compensation or parental leave.
- (c) The Employer will take reasonable steps to ensure Employees, HSRs (where relevant) and the Union can participate effectively in the Consultation process.

11.2 Definitions

Under this clause 11:

- (b) **Affected Employee** means an Employee on whom a Major Change may have a Significant Effect.
- (c) **Major Change** means a change (including a temporary or urgent change) in the Employer's program, production, organisation, physical workplace, workplace arrangements, structure or technology that is likely to have a Significant Effect on Employees.

 - (iv) job sharing; and/or
 - (v) maintenance of accruals.

11.3 Consultation Steps and Indicative reasonable timeframes

- (a) Consultation includes the steps set out below.
- (b) Timeframes for each step must allow a party to consultation (including a representative) to genuinely participate in an informed way, having regard to all the circumstances including the complexity of the change proposed, and the need for Employees and their representative to meet with each other and consider and discuss the Employer's proposal. The timeframes in this clause are indicative only and in the case of a temporary or urgent change, a shorter timeframe may be appropriate.
- (c) The following table makes clear the relevant steps and indicative timeframes for the consultation process:

Step	Action	Timeframe
1.	Employer provides change impact statement and other written material required by clause 11.4	
2.	Written response from Employees and/or Union	14 days of step 1
3.	Consultation Meeting/s convened	7-14 days of step 2 The 'first meeting' at step 3 does not limit the number of meetings for consultation
4.	Further Employer response (where relevant)	After the conclusion of step 3
5.	Alternative proposal from Employees or Union	14 days of step 4
6.	Employer to consider alternative proposal/s consistent with the obligation to consult and, if applicable, to arrange further meetings with Employees or Union prior to advising of the outcome of consultation	14 days of step 5

11.4 Change Impact Statement (step 1)

- (a) Prior to Consultation required by this clause, the Employer will provide affected Employee/s and Union with a written Change Impact Statement setting out all relevant information including:

- (i) the details of proposed change;
 - (ii) the reasons for the proposed change;
 - (iii) the possible effect of the proposed change on Employees'
 - (A) workload; and
 - (B) occupational health and safety matters, such as those set out in clause 99 (OHS Risk Management). Where occupational health and safety impacts are identified, a risk assessment of the potential effects of the change on the health and safety of Employees must be undertaken in consultation with HSRs, and the proposed mitigating actions to be implemented to prevent such effects;
 - (iv) the expected benefit of the change;
 - (v) measures the Employer is considering that may mitigate or avert the effects of the proposed change;
 - (vi) if relevant to the proposed change, the existing and proposed position descriptions, including new roles, those of the Affected Employees or managers where reporting lines change;
 - (vii) the right of an Affected Employee to have a representative including a Union representative at any time during the change process; and
 - (viii) other written material relevant to the reasons for the proposed change (such as consultant reports), excluding material that is commercial in confidence or exposes the Employer to unreasonable legal risk or cannot be disclosed under the *Health Services Act 1988* (Vic) or other legislation.
- (b) Any concerns by an Affected Employee or their representative regarding whether the Change Impact Statement complies with clause 11.4 will be raised as soon as practicable and before step 2.

11.5 Employee/Union response (step 2)

Following receipt of the change impact statement, Affected Employees and/or the Union may respond in writing to any matter arising from the proposed change.

11.6 Meetings (step 3)

- (a) As part of Consultation, the Employer will meet with the Employee/s, the Union and other nominated representative/s (if any) to discuss:
- (i) the proposed change;
 - (ii) proposals to mitigate or avert the impact of the proposed change; and
 - (iii) any matter identified in the written response from the affected Employees and/or the Union.
- (b) To avoid doubt, the 'first meeting' at step 3 does not limit the number of meetings for Consultation.

11.7 Employer response (step 4)

The Employer will give prompt and genuine consideration to matters arising from Consultation and will provide a written response to the Affected Employees, Union and (where relevant) other representative/s.

11.8 Alternative proposal (step 5)

The Affected Employee/s, the Union and other representative/s (where relevant) may submit alternative proposal(s) which will take into account the intended objective and benefits of the proposal. Alternative proposals should be submitted in a timely manner so that unreasonable delay may be avoided.

11.9 Outcome of consultation (step 6)

The Employer will give prompt and genuine consideration to matters arising from Consultation, including an alternative proposal submitted under clause 11.8, and will advise the affected Employees, the Union and other nominated representatives (if any) in writing of the outcome of Consultation including:

- (a) whether the Employer intends to proceed with the change proposal;
- (b) any amendment to the change proposal arising from consultation;
- (c) details of any measures to mitigate or avert the effect of the changes on Affected Employees; and
- (d) a summary of how matters that have been raised by Affected Employees, the Union and their representatives, including any alternative proposal, have been taken into account.

Note: In the case of proposal concerning the amalgamation of wards, please refer to clause 11B.

11.10 Consultation disputes

Any dispute regarding the obligations under this clause will be dealt with under the Dispute Resolution Procedure at clause 13 of this Agreement.

11A. Consultation about Changes to Rosters or Hours of Work

This clause 11A applies where a change to regular rosters or ordinary hours of work (which may impact upon an Employee, particularly in relation to their family and caring responsibilities) does not constitute a 'Major Change' in accordance with subclause 11.2(c).

11A.1 Where an Employer proposes to change an Employee's regular roster or ordinary hours of work, the Employer must:

- (a) notify the relevant employee or employees of the proposed change; and
- (b) consult with the relevant employee or employees and their representative/s, if any, about the proposed change as described below.

11A.2 As soon as practicable after proposing to introduce the change, the Employer must:

- (a) discuss with the relevant employee/s the introduction of the change, and
- (c) for the purposes of the discussion, provide to the relevant employee/s all relevant information about the change, including:

- (i) the nature of the change and when that change is proposed to commence; and
 - (ii) information about what the Employer reasonably believes will be the effects of the change on the relevant employees; and
 - (iii) information about any other matters that the Employer reasonably believes are likely to affect the relevant employees; and
- (d) invite the relevant employees to give their views about the impact of the change (including any impact in relation to their family or caring responsibilities).
- 11A.3** However, the Employer is not required to disclose confidential or commercially sensitive information to the relevant employees.
- 11A.4** The Employer must give prompt and genuine consideration to matters raised about the change by the relevant employees and consider health and safety impacts including fatigue.
- 11A.5** In this term **relevant employees** means the Employee or Employees who may be affected by a change referred to in clause 11A.1.
- 11A.6** **The requirement to consult under this clause** 11A does not apply to an Employee where the change to an Employee's regular roster or ordinary hours of work is as a consequence of that Employee's irregular, sporadic or unpredictable working hours, self-rostering or, where permitted, a rotating roster.
- 11A.7** **The provisions of this clause** 11A are to be read in conjunction with the terms of the engagement between the Employer and Employee, and other Agreement provisions concerning the scheduling of work and notice requirements.

11B. No Amalgamation of Wards without Agreement of ANMF and Employer

- 11B.1** A proposed amalgamation of wards will be subject to consultation under clause 11, save that clause 11.10 will not apply and instead the dispute will be notified to the Statewide Industry Panel under clause 14.
- 11B.2** During the life of the Agreement there will be no amalgamation of wards that will result in:
- (a) an increase in workload for the Employees working in those wards who are covered by this Agreement; or
 - (b) increase in patient risk (in those wards),
- without the agreement of the ANMF and the Employer.
- 11B.3** The Statewide Industry Panel will have regard to the DOH's Guidelines which will reflect historical and contemporary practice and standards.

- (a) **Affected Employee** for this clause 12 means an Employee whose role will be redundant.
- (b) **Comparable Role** means an ongoing role that:
 - (i) is the same occupation as that of the Affected Employee's redundant position or if not, is in an occupation acceptable to the Affected Employee; and
 - (ii) is any of the following:
 - (A) in the same clinical specialty as that of the Affected Employee's former position;

 - (v) is a Reasonable Distance from the Affected Employee's current work location;

- (c) **Consultation** is as defined at clause 11 (Consultation) of this Agreement.
- (d) **Continuity of Service at 12.8** means that the service of the Employee is treated as unbroken and that the cap on the transfer of personal leave at clause 61.8 does not apply. However, continuity of service is broken where an Employer pays out accrued annual leave or long service leave upon termination in accordance with this Agreement.
- (e) **Level** for the purposes of this clause 12 means a weekly salary in Schedule 2 that is at least equal to or higher than the weekly salary in Schedule 2 for the Role the Employee held immediately prior to redundancy.
- (f) **Reasonable Distance** means a distance that has regard to the Employee's original work location, current home address, capacity of the Employee to travel,

- (i) **Relocation** means an Affected Employee is required to move to a different Campus as a result of an organisational change on either a temporary or permanent basis.

12.3 Redeployment

- (a) An Affected Employee whose role will be redundant will be considered for redeployment during the Redeployment period.

- (b) **Employee to be advised in writing**

The Affected Employee must be advised in writing of:

- (i) the date the Affected Employee's role is to be redundant;
- (ii) details of the redeployment process;
- (iii) the reasonable support that will be provided in accordance with subclause 12.3(g); and

- (ii) take into account the personal circumstances of the Affected Employee, including family commitments and responsibilities; and
- (iii) where the Employer is creating a new role/s substantially similar to the Affected Employee's redundant role; give priority to the redeployment of an Affected Employee/s to the new position/s before considering applicants that are not Affected Employees.

Example: The Employer needs fewer Employees to do particular work and roles are being restructured to take this into account. In a

'spill and fill', the Employer will consider the Affected Employees for the new roles before other applicants.

(d) **Employee obligations**

The Employee must actively participate in the redeployment process including:

- (i) identifying appropriate retraining needs;
- (ii) developing a resume/CV to assist in securing redeployment; and/or
- (iii) actively monitoring and exploring appropriate redeployment opportunities and working with the appointed case manager.

(f) **Temporary alternative duties**

An Affected Employee awaiting redeployment may be transferred to temporary alternative duties within the same Campus, or where part of the Employee's existing employment conditions (or by agreement) at another Campus. Such temporary duties will be in accordance with the Affected Employee's skills, experience, clinical area and profession.

(g) **Support for redeployment**

- (ii) a defined period of up to 12 weeks in which the Affected Employee works in a supernumerary capacity;
- (iii) support from educational staff in the clinical environment; and/or
- (iv) a review at 12 weeks or earlier to determine what, if any, further training is required.

(h) **Where no redeployment available**

If at any time during the Redeployment period it is agreed that it is unlikely that the Affected Employee will be successfully redeployed, the Affected Employee may accept a redundancy package. Where this occurs, the Affected Employee will be entitled to an additional payment of the lesser of 13 weeks or the remaining Redeployment period.

(i) **Non-Comparable Role**

An Affected Employee may agree to be redeployed to a role that is not a Comparable Role.

12.4 Support to Affected Employees

- (b) retraining;
- (c) preparation of job applications;

Other assistance may include but is not limited to career planning.

12.5 Salary Maintenance

(a) Entitlement to salary maintenance

An Affected Employee who is successfully redeployed will be entitled to salary maintenance where the Affected Employee's pay is reduced because the new role:

- (i) is a lower Level, grade, subgrade or increment;
- (ii) involves working fewer hours; and/or
- (iii) removes eligibility for penalties, loadings and the like.

(b) Period of salary maintenance

Salary maintenance will be for a period of 52 weeks from the date the Affected Employee is redeployed except where the Affected Employee:

- (i) accepts another position within the salary maintenance period; and
- (ii) is paid in the other position an amount equal to or greater than the role that was made redundant.

(c) Preservation of accrued leave

An Affected Employee entitled to salary maintenance will have their:

- (i) long service leave and annual leave accruals preserved before redeployment. Specifically, the value of the leave immediately prior to redeployment will not be reduced as a result of redeployment; and
- (ii) personal leave preserved in hours.

12.6 Relocation

(a) Employer to advise in writing of relocation

As soon as practicable but no less than seven (7) days after a decision is made by the Employer to temporarily or permanently relocate an Affected Employee,

the Employer will advise the Affected Employee in writing of the decision, the proposed timing of the relocation and any other alternatives available to the Affected Employee. In addition, the Employer will:

- (i) ensure the relocation is a Reasonable Distance, unless otherwise agreed;
- (ii) ensure that the Affected Employee is provided with information on the new location's amenities, layout and local operations prior to the relocation; and
- (iii) consult with the Union regarding the content of such information.

- (ii) When considering the Affected Employee's estimate, the Employer may have regard to the Reasonable Distance.
- (iii) In the event of a dispute about the Affected Employee's estimate it will be resolved under clause 13 (Dispute Resolution Procedure).

(e) **Exceptions**

- (i) An Affected Employee is not entitled to the relocation allowance if the site or Campus to which the Affected Employee is being relocated is a location to which they can be expected to be deployed as part of their existing employment conditions.

(f) **Fixed term Employees not excluded**

An Affected Employee on a fixed term contract who is relocated will be covered by the terms of this clause for the duration of the fixed term contract.

12.7 **Employment terminates due to redundancy**

The Victorian Government's policy with respect to public sector redundancy and the entitlements upon termination of employment as a result of redundancy are set out in the Public Sector Industrial Relations Policies 2015. The policy as at the time this Agreement comes into operation applies to Employees but does not form part of this Agreement.

12.8 Exception to application of Victorian Government's policy with respect to severance pay

- (a) Where the Affected Employee's Employer secures a Comparable Role (as defined) with another Employer covered by this Agreement, which:
- (i) is within a Reasonable Distance of the work site of the redundant position; and
 - (ii) provides Continuity of Service; and
 - (iii) where the Comparable Role results in a loss of income, salary maintenance at clause 12.5 will apply; and
 - (iv) where relevant, consistent with the financial and other support provided to an internal redeployee,

the Employee will be considered successfully redeployed as though the employment was with the same Employer and no severance pay will apply.

13. Dispute Resolution Procedure

13.1 Resolution of disputes and grievances

- (a) For the purpose of this clause 13, a dispute includes a grievance.
- (b) This dispute resolution procedure will apply to any dispute arising in relation to:
- (i) this Agreement (for the avoidance of doubt, this includes a request for flexible working arrangements or a request for an additional 12 months' parental leave); or
 - (ii) the NES.
- (c) A **Party** for the purposes of this clause is the Employee/s or the Employer that are subject to the dispute.
- (d) A Party subject to the dispute may choose to be represented at any stage by a representative including a Union or employer organisation. A representative, including a Union or employer organisation on behalf of an Employer, may initiate a dispute.

13.2 Obligations

- (a) The Parties to the dispute and their representatives must genuinely attempt to resolve the dispute through the processes set out in this clause and must cooperate to ensure that these processes are carried out expeditiously.
- (b) While the dispute resolution procedure is being conducted work will continue normally according to the usual practice that existed before the dispute, until the dispute is resolved.
- (c) This requirement does not apply where an Employee:
- (i) has a reasonable concern about an imminent risk to their health or safety;
 - (ii) has advised the Employer of the concern; and

- (iii) has not unreasonably failed to comply with a direction by the Employer to perform other available work that is safe and appropriate for the Employee to perform.
- (d) No Party to a dispute or person covered by the Agreement will be prejudiced with respect to the resolution of the dispute by continuing work under this clause.

13.3 Dispute settlement facilitation

- (a) Where the chosen representative is another Employee of the Employer, that Employee will be released by the Employer from normal duties as is reasonably necessary to enable them to represent the Employee/s including:
 - (i) investigating the circumstances of the dispute; and
 - (ii) participating in the processes to resolve the dispute, including conciliation and arbitration.
- (b) An Employee who is a Party to the dispute will be released by the Employer from normal duties as is reasonably necessary to enable them to participate in this dispute settling procedure so long as it does not unduly affect the operations of the Employer.

13.4 Discussion of dispute at workplace

- (a) The Parties will attempt to resolve the dispute at the workplace as follows:
 - (i) in the first instance by discussions between the Employee/s and the Employee's line manager or other relevant manager; and
 - (ii) if the dispute is still unresolved, by discussions between the Employee/s and more senior managers.

Nothing in this clause 13.4 prevents the Parties from agreeing, at any time, to conducting their discussions in writing, subject to clause 13.2.

- (b) The discussions at subclause 13.4(a) will take place within fourteen days or such longer period as mutually agreed, save that agreement will not be unreasonably withheld.
- (c) Where a Party believes the requirements of this clause 13.4 have not been complied with, they will notify the other of their concern in writing as soon as practicable.
- (d) If a dispute cannot be resolved at the workplace it may be referred by a Party to the dispute or representative to the Commission for conciliation and, if the matter in dispute remains unresolved, arbitration.

13.5 Disputes of a collective character

Disputes of a collective character may be dealt with more expeditiously by an early reference to the Commission. However, no dispute of a collective character may be referred to the Commission directly without a genuine attempt to resolve the dispute at the workplace level.

13.6 Conciliation

- (a) Where a dispute is referred for conciliation, the Commission member will do everything the member deems right and proper to assist the Parties to settle the dispute.

- (b) Conciliation before the Commission is complete when:
 - (i) the Parties to the dispute agree that it is settled; or
 - (ii) the Commission member conducting the conciliation, either on their own motion or after an application by a Party, is satisfied there is no likelihood that further conciliation will result in settlement within a reasonable period; or
 - (iii) the Parties to the dispute inform the Commission member there is no likelihood the dispute will be settled and the member does not have substantial reason to refuse to regard conciliation as complete.

13.7 Arbitration

- (a) If, when conciliation is complete, the dispute is not settled, either Party may request the Commission proceed to determine the dispute by arbitration.
- (b) The Commission member that conciliated the dispute will not arbitrate the dispute if a Party objects to the member doing so.
- (c) Subject to subclause 13.7(d) below, a decision of the Commission is binding upon the persons covered by this Agreement.
- (d) An appeal lies to a Full Bench of the Commission, with the leave of the Full Bench, against a determination of a single member of the Commission made pursuant to this clause.

13.8 Conduct of matters before the Commission

- (a) Subject to any agreement between the Parties to the dispute in relation to a particular dispute or grievance and the provisions of this clause, in dealing with a dispute or grievance through conciliation or arbitration, the Commission will conduct the matter in accordance with sections 577, 578 and Subdivision B of Division 3 of Part 5-1 of the Act.
- (b) For the avoidance of doubt, nothing in this clause 13 affects the operation of section 596 of the Act.

13.9 Interaction with Statewide Industry Panel

- (a) In respect to any matter arising under clauses 14.3 and 11B, disputes will only be resolved by the Statewide Industry Panel in accordance with the terms of clause 14.
- (b) Where an application is made under clause 14.4 (concerning an existing classification), the dispute resolution procedure may also be used by either Party except that arbitration under clause 13.7 may only occur by agreement between the Parties.
- (c) Determinations of the Statewide Industry Panel under clause 14.8 will, subject to subclauses 14.6(e) to 14.6(i), be binding on the Employers and the Employees.

14. Statewide Industry Panel

14.1 Application

The Statewide Industry Panel (**Panel**) can undertake the following functions:

- (a) Determine applications regarding classifications where:

- (i) an Employee's position or the position the Employer proposes to create is not subject to an existing classification in the Agreement or previous determination of the Statewide Classification Committee (see clause 14.3);
 - (ii) there is a dispute about an existing classification under this Agreement (see clause 14.4) which may include the categorisation of the Campus or health service;
- (b) Determine disputes that arise under clause 11B (No amalgamation of wards without agreement of the Unions and Employer);

14.2 Panel

- (a) The Panel will comprise three persons being:
 - (i) a nominee of the VHIA (on behalf of the Employers);
 - (ii) a nominee of the ANMF (on behalf of the Employees); and
 - (iii) an independent chairperson agreed by VHIA and the ANMF or, in the absence of agreement, as nominated by the Minister for Health.
- (c) The Panel will commence to determine the matter within 21 days of the application and conclude its deliberations within a further 21 days.
- (d) No nominee on the Panel may be involved in a matter if they are directly affected by or are personally interested in the outcome.
- (e) The Panel shall act independently of the VHIA and the ANMF.
- (f) The Panel Chairperson shall act as an independent third party in deliberations of the Panel.
- (g) The Parties to an application to the Panel bear their own costs (save for the chairperson).
- (h) The Panel shall be responsible for determining its own procedure, provided that the procedure shall be consistent with the requirements of this clause 14, and shall adopt an inquisitorial procedure (rather than an adversarial procedure).

14.3 Application to Panel where not subject to an existing classification

- (a) Where the circumstances in subclause 14.1(a)(i) arise, a written notification to the Panel will be made as follows:
 - (i) By the Employer within 14 days of the matter arising under subclause 14.1(a)(i);
 - (ii) By the Employee and/or their representative (such as the ANMF) where:

- (A) the Employer has been notified in writing of the intention to make an application to the Panel;
 - (B) 28 days have elapsed since that written notification without the Employer having made an application to the Panel in relation to the identified position/s;
 - (C) the Employer and the Employee (and the Employee's representative) have met and discussed the proposed application and the outcome of the discussion confirmed in writing; and
 - (D) the Employer and Employee (and their representatives where relevant) have cooperated to ensure a meeting occurs within 28 days of subclause 14.3(a)(ii)(A).
- (iii) Where an Employer fails to cooperate and meet as required at subclauses 14.3(a)(ii)(C) or (ii)(D), this does not prevent an Employee making an application to the Panel.
 - (iv) Where an Employee (or representative) fails to cooperate and meet as required at subclauses 14.3(a)(ii)(C) or (ii)(D), this will result in the Panel not dealing with the application until that meeting occurs.
- (b) Where an application is received, the Chairperson will notify the applicable Union/s and VHIA in writing.

14.4 Application to Panel where there is a dispute regarding an existing classification

- (a) Either an Employer or an Employee (or their representatives) may make an application to the Panel regarding a dispute about an Employee's classification where the Parties have attempted to resolve the dispute at the workplace as described at clause 13.4 and met the obligations set out at clause 13.2.
- (b) Where an application is made to the Panel the terms of clause 13.2 continue to apply.
- (c) An Employee who is a Party to the dispute will be released by the Employer from normal duties as is reasonably necessary to enable them to participate in this dispute settling procedure so long as it does not unduly affect the operations of the Employer.

14.5 Materials to be provided to the Panel for classification applications

Where an application to the Panel is made under clauses 14.3 or 14.4:

- (a) the Employer will provide the following materials (where available) as soon as practicable:

 - (ii) objective observations on any differences between the role and that described in the position description; and
 - (iii) the Employer's response, if any, to the existing Employee's outline at subclauses 14.5(b)(i) and (ii).

14.6 Role of the Panel in considering an application

- (a) In considering an application, the Panel will:
 - (i) in the case of an application under clause 14.3, utilise available research-based skill matrices and other relevant material;
 - (ii) in the case of an application under clauses 14.3 or 14.4, determine classification applications by the inherent requirements of the position, not those of the individual;
 - (iii) in the case of an application under clause 14.4, apply the classification descriptors of the Agreement;
 - (iv) in the case of an application under subclause 14.1(b), have regard to the DOH's Guidelines which will reflect historical and contemporary practice standards; and

- (b) The Panel may otherwise inform itself in any manner it sees fit including, in the case of a classification application under clause 14.3 or 14.4, by seeking the views of an expert advisor (who is not an Employee of the health service subject of the application) agreed to by the Panel to provide clinical expertise in an area of nursing or midwifery practice in relation to the classification matter under consideration.
- (c) The Employer or VHIA and the Employee/s and/or the ANMF can advocate to the Panel.

- (e) A determination of the Panel will be considered binding unless either the Unions or VHIA make an application to have the determination reviewed by the Commission within 14 days of receiving written determination. For the avoidance of doubt, no activity under clause 14.9 constitutes a determination for the purposes of subclause 14.6(e).

- (f) An application to the Commission will include the application, determination, written reasons and supporting material.
- (g) On receipt of an application under this clause, the President of the Commission will appoint a member of the Commission to preside over the matter.
- (h) The Commission will be assisted by the Chairperson, who will explain their recommendation, the application and supporting material, and inform the Commission of the position of the ANMF and the VHIA.
- (i) The Commission will adopt an inquisitorial procedure (rather than an adversarial procedure) and will in effect stand in the shoes of the Panel and determine whether the Panel decision under review was properly reached, and may substitute or uphold the existing determination. Any determination under this clause will be final and binding upon the parties and will not be subject to an appeal of the Full Bench.

14.7 Additional role of the Chairperson in considering matters affecting a hospital/health service's funding

- (a) The ANMF and VHIA recognise that the Victorian Government, represented by the DOH, has an implied right to have its interests heard and considered in decisions of the Panel.
- (b) If a matter before the Panel under subclauses 14.1(a) or (b) may result in a requirement for additional funding to a hospital or health service (beyond what is currently provided under regular State budget mechanisms), the Chairperson will ensure that:
 - (i) the DOH has a fair opportunity to be heard by the Panel; and
 - (ii) the DOH's interests are given due consideration by the Panel in its decision-making.

- (d) In the case of an application under clause 14.3, where the Panel or, on review, the Commission determines that a lower classification applies, the Employee will have their current salary maintained.

14.9 Development and finalisation of Classification descriptors

15. Managing Conduct and Performance

15.1 Application

- (a) Except as provided at subclause 15.1(e), where an Employer has concerns about:

- the following procedure will apply.
- (b) There are two steps in a disciplinary process under this clause as follows:

 - (e) **Exception - Employees who have not completed a minimum period of employment with their Employer**

Where an Employee has not completed a period of employment with their Employer of at least the minimum employment period defined at section 383 of the Act, and the Employer is considering the termination of the Employee's employment, the Employer will:

- (i) provide the concerns in writing to the Employee as soon as practicable following the Employer becoming aware of the alleged concerns;
- (ii) advise the Employee of their right to have a representative, including a Union representative;
- (iii) other than in the case of Serious Misconduct, provide the Employee with an opportunity to improve their Performance or Conduct;

The terms of clauses 15.3 to 15.5 inclusive do not apply to Employees within the scope of the exception in this subclause 15.1(e).

15.2 Definitions

- (a) **Conduct** means the manner in which the Employee's behaviour impacts on their work.
- (b) **Misconduct** means an Employee's intentional or negligent failure to abide by or adhere to the standards of conduct expected by the Employer. A performance issue can be considered misconduct where, despite all reasonably practicable interventions by the Employer, the Employee is unable to fulfil all or part of their job requirements to a satisfactory level.
- (c) **Performance** means the manner in which the Employee fulfils their job requirements. The level of performance is determined by reference to an

Employee's knowledge, skills, qualifications, abilities and the requirements of the role.

- (d) **Serious Misconduct** is as defined under the Act and is both wilful and deliberate. Currently the Act defines serious misconduct, in part, as:
- (i) wilful or deliberate behaviour by an Employee that is inconsistent with the continuation of the contract of employment;
 - (ii) conduct that causes serious and imminent risk to:
 - (A) the health or safety of a person; or
 - (B) the reputation, viability or profitability of the employer's business.

Conduct that is serious misconduct includes each of the following:

- (iii) the Employee, in the course of the Employee's employment, engaging in:
 - (A) theft;
 - (B) fraud;
 - (C) assault; or
 - (D) sexual harassment;
- (iv) the Employee being intoxicated at work;
- (v) the Employee refusing to carry out a lawful and reasonable instruction that is consistent with the Employee's contract of employment.

Subclauses 15.2(d)(iii)-15.2(d)(v) do not apply if the Employee is able to show that, in the circumstances, the conduct engaged in by the Employee was not conduct that made employment in the period of notice unreasonable.

15.3 Investigative procedure

- (a) The purpose of an investigative procedure is to conclude whether, on balance, concerns regarding Conduct or Performance are well-founded and supported by evidence. An investigation procedure must be fair including proper regard to procedural fairness.
- (b) The Employer will:
 - (i) advise the Employee of the concerns and allegations in writing;
 - (ii) provide the Employee with any material which forms the basis of the concerns, including statements (if any) it has at that time, before seeking a response;
 - (iii) ensure the Employee is provided a reasonable opportunity to answer any concerns including a reasonable time to respond;
 - (iv) advise the Employee of their right to have a representative, including a Union representative;

- (v) ensure that the reason for any interview is explained; and
- (vi) take reasonable steps to investigate the Employee's response.
- (c) Where the Employer has complied with subclause 15.3(b)(i)-(iv) and the Employee does not dispute the concerns, the Employee may opt to decline the opportunity to be interviewed.
- (d) Where the Employee opts to decline the opportunity to be interviewed, the Employee may still raise matters under subclause 15.4(c) including matters in mitigation if a disciplinary procedure (see clause 15.4) is proposed.

15.4 Procedure to address poor Performance or Misconduct

- (a) The procedure applies if, following the investigation, the Employer reasonably considers that the Employee's Conduct or Performance may warrant disciplinary steps being taken.
- (b) The Employer will:
 - (i) notify the Employee in writing of the outcome of the investigation process, including the basis of any conclusion; and
 - (ii) provide the Employee with a reasonable opportunity to provide information about the matters in 15.4(c).
- (c) In considering whether to take disciplinary action, the Employer will consider:
 - (i) whether there is a valid reason related to the Conduct or Performance of the Employee arising from the investigation justifying disciplinary action;
 - (ii) whether the Employee knew or ought to have known that the Conduct or Performance was below acceptable standards; and
 - (iii) any explanation by the Employee relating to Conduct including any matters raised in mitigation.
- (d) The Employer will ensure that any disciplinary action being considered under subclause 15.5(a) below arising from an investigation relating to the professional conduct of a nurse or midwife, will be informed by someone with a thorough understanding of applicable professional standards of practice issued by the Australian professional registration body.

15.5 Possible outcomes

- (a) Where it is determined that after following the procedures in this clause 15 that disciplinary action is warranted, the Employer may take any of the following steps depending on the seriousness of the Conduct or Performance and the steps shall be recorded on the Employee's personnel file:
 - (i) where the Performance or Conduct issue does not constitute Serious Misconduct:
 - (A) counsel the Employee;
 - (B) give the Employee a first written warning;
 - (C) give the Employee a second written warning in the event that the Employee has previously been given a first written

- warning within the previous 12 months for that course of Conduct;
- (D) give the Employee a final written warning in the event that the Employee has previously been given a second written warning within the preceding 18 month period for that course of Conduct; or
- (E) terminate the Employee's employment on notice in the case of an Employee who repeats a course of Conduct for which a final warning was given in the preceding 18 months; or
- (ii) where the Performance or Conduct issue does constitute Serious Misconduct:
 - (A) terminate the Employee's employment without notice; or
 - (B) alternatively, issue the Employee with a final warning without following the steps in subclause 15.5(a)(i) above.
- (b) The Employer's decision and a summary of its reasons will be notified to the Employee in writing.
- (c) If after any warning or counselling, a period of 12 or 18 months elapses (as relevant) without the Employee repeating a course of Conduct for which the preceding warning or counselling was given, the Employer cannot rely on the preceding warning or counselling for the purpose of issuing a further warning.

15.6 Disputes

A dispute over this clause (including clause 15.7) is to be dealt with in accordance with the Dispute Resolution Procedure of this Agreement.

15.7 Performance Management

- (a) Nothing in this clause 15 will prevent the Employer from undertaking performance management to support Employees.
- (b) In this clause 15, **performance management** includes reasonable actions to address performance by identifying performance deficits, the Employer's expected outcomes and performance measures, and strategies to meet those measures including the provision of support and education the Employee may reasonably require. Performance management measures may be included in a performance improvement plan that seeks to address the identified deficits and/or describe the matters which require improvement within a time period that is reasonable in the circumstances.
- (c) In this clause 15, performance management does not include sanctions in addition to those set out at clause 15.5 above.

- 16.6** A request for a flexible work arrangement includes (but is not limited to) a request to work part-time upon return to work after taking leave for the birth or Adoption of a child to assist the Employee to care for the child (which may, for example, include a reduction in existing part-time hours).
- 16.7** Changes in working arrangements may include but are not limited to hours of work, patterns of work and location of work.
- 16.8** The request by the Employee must be in writing, set out the change sought and reasons for the change.
- 16.9** The Employer must give the Employee a written response to the request within 21 days, stating whether the Employer grants or refuses the request. A request may only be refused on reasonable business grounds as described in the NES.

Note: The assertion of an inherent requirement does not, by itself, mean that this is a reasonable business ground to refuse a request for a flexible working arrangement.

- 16.10** Without limiting what are reasonable business grounds for the purposes of clause 16.9, reasonable business grounds include the following:
- (a) that the new working arrangements requested by the Employee would be too costly for the Employer;
 - (b) that there is no capacity to change the working arrangements of other Employees to accommodate the new working arrangements requested by the Employee;

 - (e) that the new working arrangements requested by the Employee would be likely to have a significant negative impact on the Employer's operations.

 - (b) the consequences for the Employee if changes in working arrangements are not made;
 - (c) any alternative flexibility arrangements that may meet the circumstances of the Employee that require flexibility; and

- 16.16** The Dispute Resolution Procedure in the Agreement will apply to any grievance/dispute arising in relation to a request for flexible working arrangements. Without limiting the Dispute Resolution Procedure in the Agreement at first instance, the Employer and Employee will attempt to resolve the dispute at the workplace level through discussion before it is referred to the FWC.
- 16.17** For the avoidance of doubt, clause 16.16 applies to the Employee in the event the Employer refuses their request, or 21 days have passed since their making the request and the Employer has not provided them with a written response under this Agreement.
- 16.18** Other entitlements relevant to family violence can be found at clause 64 (Family and Domestic Violence Leave).

 - (B) the Employee commences employment with a new Employer, in which case the applicable cap applies for that ward/area/Campus/health service, whichever is the higher.
- (ii) For the avoidance of doubt, the process for setting a cap for Employees under this subclause is contained in the 2012 Agreement.

In this clause:

- (a) **Base Ward** means the Ward or Unit to which the Employee was rostered to work in accordance with clause 45 (Rosters).

A Multi Base Ward Employee who, at the initiative of the Employer, performs their rostered shift at a ward, unit or department that is not their Base Ward, will be entitled to the Change of Ward Allowance.

41A.4 Anti-avoidance

Employers must not seek to circumvent this provision by, for example, defining multiple wards as one ward, declaring Employees to be part of a pool arrangement or Multi Base Ward Employee contrary to their wishes, amalgamating cost centres, or not rostering to a ward, unit, clinical section or department where that would ordinarily be the case.

41A.5 Additional Provisions

- (b) where a Base Ward has more than one readily identifiable clinical section, and the Employee is rostered to work in one clinical section of a ward/unit who is allocated into another clinical section of a ward/unit. Clinical sections for the purposes of this subclause 41A.6(b) include birth suite, special care nursery and post-natal, in some Maternity Wards or recovery and operating theatres in a surgical suite.

Example for subclause 41A.6(b):

Susan is a midwife on a maternity ward that includes post-natal, birth suite and special care nursery. On Tuesday Susan is rostered to work in birth suite, but is reallocated to post-natal. The Change of Ward allowance applies.

- (c) The application of this subclause consistent with 41A.2, 41A.3 and 41A.4 will be overseen by the WIC and, without limiting any right under clause 13, unresolved disputes will be escalated to the Central Implementation Committee and, if unresolved to the Statewide Industry Panel under clause 14.

- (a) In this clause, a **permanent night shift employee** means a full or part-time Employee who only works on night shift subject to the provisions of clause 42A.6.
- (b) Utilisation of permanent night shift employees will be the preferred approach to staffing at night wherever possible.

- (a) An Employee may make a written request to work permanent night shift and an Employer may only refuse on reasonable business grounds.
- (b) Where an Employee makes a written request, the Employer will respond in writing within 21 days.
- (c) Where an Employer proposes to refuse the request on reasonable business grounds, the Employer will notify the Employee in writing of those reasonable business grounds and will offer to meet with the Employee to discuss the request before a decision is made.

42A.3 Permanent Night Shift Employment – Transitional 1 July 2024 to 30 September 2024

- (a) With respect to wards or units with a night shift, the Employer will advise Employees who, in the previous 12 months or prior to commencing any period of extended leave:

- (e) The Employer will provide progress reports to the WIC of progress in implementing this clause 42A.3.

42A.4 Post transition - Permanent Night Shift Employment Vacancy

Where a vacancy (whether permanent or temporary) on night shift occurs after 30 August 2024, the Employer will seek to fill it with a permanent night shift employee.

42A.5 Provision of education to permanent night shift employees

- (a) Wherever practicable, permanent night shift employees will be offered education during their night shift.
- (b) Where this is not practicable and it is necessary to roster the Employee to shifts other than night shift for the purpose of providing education, this will occur without loss of income to the Employee.
- (c) Nothing in this clause 42A is intended to alter an Employer's rights regarding undertaking performance management in accordance with clause 15 to support Employees. Performance management has the same meaning as set out at subclauses 15.7(b) and (c) of this Agreement.

42B Night Shift Rostering Principles (other than permanent night shift employees)

Note: This clause does not apply to casual Employees.

42B.1 General

The purpose of this clause is to support and give effect to those parts of the 'Developing Employee-Centred Rostering Principles' Report and Recommendations with respect to roosting duty, particularly in relation to:

- (a) offering flexibility in how night duty is rostered is important for nurses and midwives to be able to support their health and wellbeing. It is important to support and encourage staff to have input into how their night duty is rostered; and

- (b) Giving nurses and midwives a choice of permanent night duty, rostered blocks of night duty or ad hoc rostered night duty may have a positive impact on staff satisfaction. Ensure clear processes are in place to support this so that there is a fair allocation of non-permanent night duty.

42B.2 Night shift – rostering in blocks

Where night shift is performed by Employees who are not permanent night shift employees as defined at clause 42A.1, the Employer will, by not later than 30 November 2024, establish rostering principles to provide greater choice as to when and how night shift work is performed, including in planned blocks across a 12-month period.

42B.3 Break after night shifts

An Employee, other than a permanent night shift employee, required to work night shifts must have a minimum 47 hours break before working other shifts unless requested by the Employer to return earlier.

42B.4 Review

The Employers will work with the ANMF to evaluate the changes above to ensure there are no unintended consequences, with reports being provided to the WIC twice yearly or as otherwise determined by the WIC.

43. Accrued Days Off

43.1 Accrual of ADOs

Unless the workload management arrangements have been varied in accordance with this Agreement, all full-time Employees will accrue an ADO as follows:

- (a) a full-time Employee rostered to work on shifts of eight hours' duration will work 152 hours in each four-week roster cycle to be worked as 19 days each of eight hours with an ADO in each four week roster cycle; and
- (b) a full-time Employee rostered to work on night shifts of ten hours' duration will work 190 hours in each five-week roster cycle to be worked as 19 shifts each of 10 hours with an ADO in each five week roster cycle.

43.2 Taking of ADOs

Wherever practicable, an ADO will be on the date requested by the Employee.

43.3 Maximum number of ADOs

The maximum number of ADOs which may be accrued in any calendar year is thirteen.

43.4 ADOs and annual leave

See also clause 57 (Annual Leave).

One day of a year's annual leave period will be regarded as an accrued day off for which no additional payment is to be made.

43.5 ADOs on public holidays

See also clause 56 (Public Holidays).

Where a public holiday falls on a day upon which the Employee is on an ADO, another day will be determined by the Employer to be taken by the Employee in lieu of the public holiday, such day to be within the same work cycle where practical.

43.6 ADOs and short shifts

If a full-time Employee works a short shift, that Employee will be entitled to an ADO as if a full shift was worked.

43.7 ADOs and termination of employment

Upon termination of employment if the Employee has:

- (a) taken an ADO (in part or whole) in advance of accruing the necessary hours, the salary of the Employee will be reduced by the total ADOs or portion taken in advance; and
- (b) untaken ADOs (in part or whole) at the time of termination, the Employee will be paid the untaken ADOs.

43.8 ADOs and reduction in ordinary hours

Where an Employee reduces their ordinary hours and the Employee has:

- (a) taken an ADO (in part or whole) in advance of accruing the necessary hours, the salary of the Employee will be reduced by the total ADOs or portion taken in advance; and
- (b) untaken ADOs (in part or whole) at the time of the reduction in ordinary hours, the Employee will elect to either be paid out the ADOs, take the ADOs at a time agreed with the Employer or a combination of both.

44. Breaks

44.1 Meal breaks

- (a) An Employee will be entitled to an unpaid meal break of not less than 30 minutes and not more than 60 minutes.
- (b) Employees are entitled to leave the ward/unit area during their meal break.
- (c) An Employee unable to take a meal break (including where an Employee is not entitled to leave the ward/unit area for their meal break) will be paid for the meal break as time worked at their ordinary rate plus 50%.

(d) Meal break not taken - escalation

Each Employer will describe, in writing, the steps to be taken where an Employee does not take a scheduled meal break to ensure that:

- (i) wherever possible, the meal break is rescheduled and taken during the shift; and
- (ii) consideration is given to what caused the Employee to miss the scheduled meal break and whether any additional action is required to address those causes to reduce the likelihood of recurrence.

(e) Crib time

Where Employees are regularly unable to take their meal breaks (including because the Employee is not entitled to leave the ward for their meal break), a 'crib time' arrangement will operate. The crib time arrangement entitles an Employee to a paid meal interval of not less than 20 minutes to commence between three hours and five hours of duty.

44.2 Tea breaks

Every Employee will be entitled to two paid ten minute tea breaks each shift at a time suitable to the Employer which will be counted as time worked.

44.3 Clothing change

Where an Employee performs a role that requires changing into and/or out of specific clothes that are necessary to perform work - such as theatre - or is required to wear full PPE (i.e. mask, face shield, and gown), the Employer will ensure there are arrangements providing that this occurs during paid time.

45. Rosters

This clause does not apply to casual Employees, DONs or Deputy DONs.

45.1 Subject to clause 45.10, the ordinary hours of full-time and part-time Employees will be worked according to a written roster that will:

- (a) be of at least 28 days duration;
- (b) be posted at least 28 days before it comes into operation in each work location where it can be readily seen by Employees and representatives of the Employees, including the Unions, without notice; and
- (c) as far as is practicable reflect the roster each Employee will work.

Nothing in this clause precludes an Employer from also issuing the roster or the on-call roster in electronic form.

45.2 Rosters will:

- (a) set out:
 - (i) the Employees' daily ordinary working hours;
 - (ii) starting and finishing times; and
 - (iii) meal intervals;
- (b) have a staffing and skill mix that complies with the Safe Patient Care Act if applicable to that ward or unit;
- (c) allocate a Registered Nurse/Registered Midwife to be in charge of each shift;
- (d) not change without at least fourteen days' notice of a change in roster other than in an emergency situation external to the Employer, subject to 45.8 below;
- (e) provide an Employee who works 0.8 EFT or more with two consecutive days off per week. Nothing in this subclause (e) is intended to:
 - (i) restrict an Employee requesting single days off, including as a self rostering request; or

- (ii) prevent an Employee who works 0.8 EFT or more from having a single day off rostered where they also have consecutive days off rostered that week.

See clause 44 for further information on the requirement for an Employer to have a system that records meal breaks.

45.3 Roster not posted at least 28 days before it comes into operation

- (a) From 8 July 2024, where a roster is not posted 28 days in advance as required by clause 45.1, each shift in the roster that is worked with less than 28 days' notice shall attract a change of roster allowance as prescribed at subclause 45.8(ii).

Example: A roster for a ward was posted 25 days before coming into effect, rather than 28 days as required by clause 45.1. A change of roster is payable for those shifts worked on the roster with less than 28 days' notice.

- (b) The provisions of subclause 45.3(a) do not apply where:
 - (i) In respect of a shift that the Employee agrees to work as an additional shift under the supplementary roster;
 - (ii) In respect of a shift that the Employee works that already attracts the Change of Roster allowance under clause 45.8;
 - (iii) The shift was not rostered in advance because the Employee swapped shifts by agreement with another Employee; or
 - (iv) The roster is varied in accordance with this Agreement, for example clauses 45.5 or 45.8.

45.4 Breaks between Rostered Shifts

The roster or rosters will be drawn up so as to provide at least eight hours between successive ordinary shifts.

45.5 Fixed Rosters

- (a) An Employee, by making a written request to the Employer, may have a roster fixed by mutual agreement (subject to the other provisions of this Agreement) in lieu of the provisions of clauses 45.1 to 45.2 save that:
 - (i) an Employer will not unreasonably refuse a request for a fixed roster agreement where the Employee can demonstrate a regular and systematic pattern of work (as defined below);
 - (A) **regular and systematic pattern of work** means working set days or shifts in a demonstrable pattern over the preceding six months (recognising that additional ordinary shifts may be worked around that fixed pattern); but
 - (B) does not include shifts worked because the Employee who usually works them is on extended leave;
 - (ii) where a fixed roster agreement is made, the Employer will provide the Employee with an amended Letter of Appointment detailing the fixed roster agreement which will be consistent with the **regular and systematic pattern of work described at (A) and (B) above**; and

- (iii) where the Employer proposes to change the Employee's fixed roster agreement, the terms of clause 11 (Consultation) or clause 11A (Consultation about changes to rosters or hours of work) will apply, depending on the circumstances.
- (b) A written request for a fixed roster may be made in circumstances where the Employer is proposing to alter, or has recently altered, the Employee's regular and systematic pattern of work.
- (c) An Employee may end the fixed roster agreement at any time by giving written notice to the Employer. In such a case, the roster for the Employee will be set according to the provisions of clauses 45.1 to 45.2 above from the commencement of the next full roster period being not less than five clear days after the written notice is received.

45.6 Replacing unplanned absences

(a) **Reasonable effort to replace with permanent Employee**

- (i) In the event a vacancy occurs on the roster arising from an unplanned absence of the rostered Employee, a reasonable effort must be made to fill the vacancy with a permanent Employee working no less than the same shift length as was rostered.
- (ii) In this clause, **a reasonable effort** means:
 - (A) contacting nurses/midwives who are available including in accordance with the supplementary roster;
 - (B) if the shift is not filled, reasonable attempts to ask nurses/midwives on that ward/unit to fill the vacancy (except where it would result in overtime); and
 - (C) if the shift is not filled, seeking to allocate a Pool Employee.
- (iii) The Employer will document its attempts to replace the vacancy which must be available for inspection by the Union and local Union representatives upon request.

(b) **Use of bank or agency staff**

Where, after a reasonable effort, the Employer cannot obtain a permanent Employee, the rostered shift can only be replaced by anything other than the full shift length in accordance with clause 47 (Avoidance and Management of Short Shifts).

45.7 **On-Call Rosters**

The intent of this clause is to ensure Employees have a reasonably predictable pattern of work during the on-call roster period. This clause does not apply to casual Employees, DONs or Deputy DONs.

- (a) **Planned on-call arrangement** means the on-call arrangements the Employer would reasonably expect to be required within the work location at the time the on-call roster is released.
- (b) Planned on-call arrangements for full-time and part-time Employees will be:
 - (i) worked according to a written roster of at least 28 days duration; and

- (ii) posted at least 28 days before it comes into operation in each work location where it can be readily seen by Employees and representatives of the Employees, including the Union, without notice.
- (c) Nothing in this clause prevents an Employer placing an Employee on call in circumstances where the requirement for the Employee to be rostered on call was not known at the time the roster was released, save that where this occurs, the allowance at clause 45.8 applies.
- (d) On-call/recall payments are located at Appendix 2.

45.8 Change of Roster Allowance

- (a) If the Employer changes an Employee's roster or planned on call roster once set in accordance with clauses 45.1 or 45.7, other than as excepted in subclause 45.2(d), the Change of Roster Allowance will apply in relation to each change as follows:
 - (i) 7 days' or less notice, the applicable rate in Appendix 2, Part 2; and
 - (ii) 8 to 14 days' notice, the applicable rate in Appendix 2, Part 2.

This allowance is not payable to a part-time Employee for an additional shift worked unless the circumstances described in clause 46.4 (Supplementary Roster and Additional Shifts) apply.
- (b) If an additional shift is worked by a part-time Employee other than under the supplementary roster, it attracts the Change of Roster Allowance as described at subclause 45.8(a)(ii) above.
- (c) This clause 45.8 does not apply to those circumstances covered by clause 41A (Change of Ward Allowance) unless the start and/or finish time on the Employee's roster, in relation to ordinary hours, also change.

45.9 Rosters which include work on public holidays

- (a) Employers must implement a policy or procedure for the issuance and finalisation of rosters which cover the performance of work on a public holiday under the Act.
- (b) The policy / procedure referenced at subclause 45.9(a) above should:
 - (i) set out the process for an Employee to request not to work on a public holiday they are requested to work; and
 - (ii) set out the process for the Employer to provide a written response to an Employee's request not to work on a public holiday they are requested to work.
- (c) An Employer who receives a request under subclause 45.9(b)(i) must accept that request unless the Employer determines that the refusal is not reasonable in the circumstances. The factors an Employer must consider when determining whether a request is not reasonable include:
 - (i) whether the Employee has clearly explained a reason for refusing to work on the relevant public holiday;
 - (ii) the nature of the Employers' workplace or enterprise (including its operational requirements), and the nature of the work performed by the Employee;

- (iii) the capacity for the Employer to find a replacement Employee to perform the same work;
 - (iv) the Employee's personal circumstances (including family responsibilities) to the extent that those circumstances have been disclosed to the Employer;
 - (v) whether the Employee could reasonably have expected the Employer to request that they work on the public holiday(s);
 - (vi) whether the Employee is entitled to receive overtime payments, penalty rates or other compensation for, or a level of remuneration that reflects expectation of, work on the public holiday(s);
 - (vii) the type of employment of the Employee (e.g., whether full-time, part-time, casual or shiftwork);
 - (viii) the amount of notice in advance of the public holiday given by the Employer when making the request;
 - (ix) the amount of notice in advance of the public holiday given by the Employee when refusing the request;
 - (x) the number of public holidays the Employee has previously worked and been required to work in recent roster durations; and
 - (xi) any other relevant matter.
- (d) Where the Employer has requested an Employee to work any public holiday(s) and either:
- (i) the Employee has not made a request not to work the public holiday in accordance with the policy or procedure referenced at subclause 45.9(a) above; or
 - (ii) the Employer has determined that a request was not reasonable (taking into account the factors in subclause 45.9(c)),
- the Employer may require the Employee to work on the relevant public holiday(s).

45.10 Employees not required to have a roster

- (a) The requirement to have a roster at clause 45.1 and payments for failing to post a roster at clause 45.3 do not apply to those Employees who are genuinely not required to work in accordance with a roster. Whether an Employee is genuinely not required to work in accordance with a roster shall be determined on the circumstances including:
 - (i) The nature of the role and the environment in which it operates;
 - (ii) The practice at the worksite; and/or
 - (iii) That the Employee's work hours are set or self-directed.
- (b) This clause 45.10 does not limit an Employer's obligations in respect to on-call rosters.
- (c) By not later than 1 November 2024 the Employer will provide the WIC with a list of existing Employee positions it says do not work in accordance with a roster. Any disputes about whether such Employees are genuinely not required to work

in accordance with a roster (for the purposes of subclause (a) above) that are not resolved at the WIC will be referred to the Central Implementation Committee.

- (d) Where the Employer is proposing to create a position to which this clause 45.10 applies, this information will be included in the change impact statement required under clause 11 (Consultation).

45A Portfolio Work In Paid Time

- 45A.1** Employees with a portfolio or administrative responsibility allocated by their Employer, will be provided with reasonable paid time to undertake such responsibilities.
- 45A.2** The allocation of paid time for Employees with allocated portfolio or administrative responsibilities will be a priority item for the WIC.

46. Supplementary Roster and Additional Shifts

- 46.1** In addition to the roster under clause 45 (Rosters), the Employer will maintain a supplementary roster.
- 46.2** A supplementary roster facilitates additional shifts worked on a voluntary basis. The supplementary roster will:
- (a) display vacant shifts which Employees can nominate to work; and
 - (b) contain a 'stand-by' facility where Employees wishing to work extra shifts can nominate the days/shifts they wish to work should such vacancies arise in the normal roster.
- 46.3** Vacancies that arise in the normal roster issued under clause 45 will, as far as possible, be filled through the supplementary roster.
- 46.4** If a vacancy in the roster:
- (a) is filled under the supplementary roster, the additional shift is an 'additional shift worked by agreement' and does not attract the 'change of roster' allowance under clause 45 (Rosters);
 - (b) cannot be filled from the supplementary roster, an Employee may be requested to work an additional shift (subject to the provisions of this Agreement) and the additional shift attracts the 'change of roster' allowance in Appendix 2 in addition to any other entitlement on each such occasion.
- 46.5** Nothing in this clause prevents an Employer from operating an electronic supplementary roster that:
- (a) meets the objectives of clause 46.2; and
 - (b) meets the objectives of clause 46.2 in part and by agreement with the Central Implementation Committee at clause 80.11 save that if the Central Implementation Committee is unable to reach agreement regarding the proposed electronic roster, the matter will be referred to a mediator for resolution.
- 46.6** A contract of employment that requires an Employee be available for extra shifts does not override this provision.
- 46.7** Overtime remains payable where it would otherwise apply, such as double shifts and recall.

- 46.8** This clause does not inhibit Employees swapping shifts amongst themselves (subject to operational requirements) in which case no change of roster allowance is payable.
- 46.9** Where an Employee is requested by the Employer to work an additional shift other than by the supplementary roster, each such additional shift worked will attract the "change of roster allowance" in Appendix 2 in addition to any other entitlement on each such occasion.

47. Avoidance and Management of Short Shifts

47.1 Meaning of 'Short Shift'

Short Shift is defined at clause 4 (Definitions).

47.2 No short shifts on night duty

Short Shifts must not be utilised on night duty.

47.3 Use of short shifts

- (a) Except as provided at clauses 47.5, 47.7 and 47.8 below, up to two Short Shifts may be used for a ward or unit per day using no more than two of the following:
- (i) one 'AM' shift (commencing and concluding within the 'AM' shift); and/or
 - (ii) one 'PM' shift (commencing and concluding within the 'PM' shift); and/or
 - (iii) one cross over shift, being a shift that commences before 12.00pm and concludes during the 'PM' shift.
- (b) These limitations do not apply to Short Shifts in addition to ratios.
- (c) No existing shift length as at the commencement date of this Agreement will be reduced by the operation of (b) above.

47.4 Short shifts only by agreement

- (a) An Employee will not be rostered to work Short Shifts unless the Employee agrees to work them.
- (b) An Employee working a Short Shift arrangement may cease that arrangement by giving 28 days' written notice to the Employer that they wish to work full shift lengths and the arrangement will cease in the next roster or, if a roster has already been posted in accordance with clause 45.1, the following roster posted.
- (c) Nothing in this clause allows for the unilateral changing of an Employee's contract of employment.

47.5 Replacement of rostered shift/s

- (a) **Considerations in the use of replacement shifts**
- (i) The Employer will use a full shift to replace unplanned vacancies unless, after making a reasonable effort as described at clause 45.8 (Replacing unplanned absences) to fill the vacancy on the roster with a permanent Employee, the Employer has not been successful in which case subclause 47.5(b) below applies.

- (ii) The Employer must use a nurse bank Employee or, if unsuccessful, an agency staff member at the full shift length, except where the nurse in charge of the ward determines a Short Shift will not have a negative impact on patient care, safe staffing and related matters, having regard to all the circumstances on the relevant ward/unit including:
 - (A) patient safety/acuity;
 - (B) skill mix;
 - (C) the time at which the absence was notified;
 - (D) whether the ward/unit is staffing above the ratios under the Safe Patient Care Act;
 - (E) the number of short shifts on the ward;
 - (F) the nature of any professional development being provided by the Employer;
 - (G) the capacity for Employees to attend professional development; and
 - (H) whether there is any pre-arranged education for casual staff.

(b) **Other options**

Nothing in this clause prevents an Employer replacing an unplanned absence on the roster with a longer shift than a Short Shift.

47.6 ADOs (full-time Employees)

A full-time Employee who works a Short Shift will be entitled to an ADO as if a full shift was worked.

47.7 Exception – workload management proposal

- (a) Short Shifts may be rostered beyond the limit specified at clause 47.3 where it forms part of an EFT neutral workload management proposal implemented under clause 93 of this Agreement (Proposals to Vary Specific Matters).
- (b) A workload management proposal to roster short shifts beyond the limit specified at clause 47.3 that is not EFT neutral cannot be made under this Agreement.

47.8 Limited Exception – aged care and rehabilitation units

- (a) The exception that applied to aged care and rehabilitation wards under clause 47.8 of the 2020 Agreement will continue to apply subject to the following:
 - (i) If the Employer seeks to maintain the exception, notify the Central Implementation Committee in writing (at clause 80) by no later than 6 months from the Agreement coming into operation, following which it will be considered in accordance with subclause 47.8(b) below.
 - (ii) If the Employer does not advise the Central Implementation Committee in writing within 6 months of the Agreement coming into operation, the exception ceases to have effect, and the limits on Short Shifts prescribed in clause 47 above will apply.

- (b) Where the Central Implementation Committee receives a notification under subclause 47.8(a)(ii), it will consider whether it supports the continuation of the exception taking into account all the circumstances including, but not limited to:
 - (i) The preference of Employees in the relevant ward/unit;
 - (ii) The preference of Employees working short shifts; and
 - (iii) The operational requirements of the Employer.
- (c) In the event that the Central Implementation Committee cannot reach a decision, the matter will be resolved in accordance with clause 14 (Statewide Industry Panel) on the basis of whether it is reasonable in all the circumstances for the existing exception to continue.

Note: The exception at clause 47.8 applied only to aged care and rehabilitation units that, as of 31 March 2012, had Short Shift arrangements in place for more than two Short Shifts per day and, under the exception, could use up to three Short Shifts per ward or unit in any configuration over the AM and PM shifts.

48. Special Rates for Saturdays and Sundays

This clause does not apply to DONs and Deputy DONs.

The term 'ordinary hours of work' is a reference to hours of work that are not at overtime rates.

- 48.1** All ordinary hours of work between midnight on Friday and midnight on Sunday will be paid for at the rate of time and a half.
- 48.2** For a casual Employee – all ordinary hours of work between midnight on Friday and midnight on Sunday will be paid for at the rate of 187.5% from 17 May 2024.
- 48.3** The rates for overtime performed between midnight on Friday and midnight on Sunday are set out at clause 49 (Overtime).

49. Overtime

This clause does not apply to a DON at an Employer where a Deputy or Assistant DON is also employed.

Note: See clause 33 for allowances which may be applicable to periods of overtime. See also clause 56 (public holidays)

- 49.1** An Employer may require an Employee to work "reasonable overtime" at overtime rates and such an Employee will work overtime in accordance with such a requirement.

49.2 Overtime Penalty Rates

- (a) **Overtime** means work requested or directed by the Employer that is performed:
 - (i) in addition to the full-time ordinary hours described at clause 42.1 (Hours for an ordinary week's work), save for the exception at clause 55.1 relating to Daylight Saving Time;
 - (ii) in addition to clause 42.3 and subject to clause 55.1;
 - (iii) in addition to the Employee's rostered shift length;

- (iv) where a break of at least eight hours has not been provided between successive shifts – for all work performed until a break of eight hours is provided; or
- (v) as recall to duty, including recall on a public holiday.
- (b) Overtime is also as provided at clause 53 (Rest Period after Overtime/Recall).
- (c) Overtime (including for a double shift as defined at subclause 49.6(c)) is to be paid as follows:
 - (i) Monday to Friday (inclusive) – time and half for the first two hours, double time thereafter;
 - (ii) Saturday and Sunday – double time; and
 - (iii) Public Holidays – see clause 56 (Public Holidays).
- (d) For a casual Employee, Overtime will be calculated and paid at the rate of:
 - (i) Monday to Friday (inclusive) – 175% for the first two hours (which equates to time and a half plus the casual loading of 25%) and 225% (double time plus casual loading of 25%) for all subsequent hours;
 - (ii) Saturday and Sunday– 225% (which equates to double time plus the casual loading of 25%); and
 - (iii) Public Holidays – see clause 56 (Public Holidays).
- (e) When calculating overtime payments, each day or shift will stand alone. Where a period of overtime worked commences on one day and finishes on another, the calculation of overtime will be treated as if the overtime took place in a single day or shift.

Example: An Employee commences overtime at 10pm on Monday and it concludes at 2am. The Employee shall be paid time and a half for the first 2 hours (10pm to midnight) and double time thereafter (midnight to 2am).
- (f) If, due to organisational or institutional circumstances, difficulties arise from the requirement that overtime will only be paid if the Employee is requested or directed by the Employer to perform overtime work, the matter may be dealt with in accordance with the Dispute Resolution Procedure in the Agreement.
- (g) **Rest break during overtime**

An Employee working overtime will take a paid rest break of 20 minutes after each four hours of overtime worked if required to continue to work after the rest break.

49.3 Reasonable overtime

- (a) In determining whether overtime is "reasonable overtime" for the purposes of clause 49.1, the following must be taken into account:
 - (i) any risk to Employee health and safety from working the additional hours;
 - (ii) the Employee's personal circumstances, including family responsibilities;

- (iii) the needs of the workplace or enterprise in which the Employee is employed;
 - (iv) whether the Employee is entitled to receive overtime payments, penalty rates or other compensation for, or a level of remuneration that reflects an expectation of, working additional hours;
 - (v) any notice given by the Employer of any request or requirement to work the additional hours;
 - (vi) any notice given by the Employee of their intention to refuse to work the additional hours;
 - (vii) the usual patterns of work in the industry, or the part of an industry, in which the Employee works;
 - (viii) the nature of the Employee's role, and the Employee's level of responsibility; and
 - (ix) any other relevant matter.
- (b) An Employee may refuse to work overtime, if the request is unreasonable.

49.4 Approval of Overtime

- (a) A request or direction made by the nurse or midwife in charge of the ward that an Employee work overtime is, for the purposes of this clause, a direction or request of the Employer regardless of whether subclause 49.4(b) is complied with.
- (b) An Employer may create policies and procedures regarding the process the nurse or midwife in charge of the ward is required to undertake prior to approving overtime.

49.5 Time off instead of payment for overtime

An Employee may, with the consent of the Employer, elect to take time off in lieu of payment for overtime worked for a period equivalent to the overtime worked, plus a period equivalent to the overtime penalty incurred. Time off in lieu of overtime will be taken at a time mutually agreed between the Employer and the Employee, provided that the accrual of such time off will not extend beyond a 28 day period. Where the time off is not taken within 28 days, the overtime worked will be paid in the next pay period.

49.6 Transport following overtime

- (a) Where an Employee finishes a period of overtime at a time when reasonable means of transport are not available for the Employee to return to their place of residence the Employer will provide adequate transport free of cost to the Employee, including the return journey where the Employee's vehicle remains at the workplace.
- (b) Where overtime is a result of a double shift, the provisions at subclause 49.6(c) below (Additional Provisions for Double Shifts) also apply.
- (c) **Additional Provisions for Double Shifts**
 - (i) A double shift occurs where a non-casual Employee has worked 14 or more continuous hours (inclusive of any paid or unpaid breaks).
 - (ii) An Employee who works a double shift will be entitled to overtime in accordance with subclause 49.2(c).

- (iii) If an Employee works a double shift (which should only occur in emergency circumstances) the following will apply to mitigate the risk of fatigue and clinical error:
 - (A) allow breaks of at least 10 minutes' duration in each two hours worked; and
 - (B) adequate transport will be provided free of cost to the Employee, including the return journey where the Employee's vehicle remains at the workplace.

50. Recall – Return to Workplace

50.1 An Employee recalled to work during an off duty period will be paid overtime for a minimum of three hours' pay at the appropriate overtime rate where that work is not continuous with the next succeeding rostered period of duty.

50.2 An Employee recalled to work will not be required to work the full three hours if the work to be performed is completed in a shorter period.

50.3 From 24 June 2024, each period of recall under this clause within an on-call period will stand alone, provided that:

- (a) only the first period of recall within an on-call period will result in a lower overtime penalty (if applicable under subclause 49.2(c)); and
- (b) consecutive periods of on-call will be treated as a single period of on-call for the purposes of (a) above.

50.4 Clause 50.2 above will not apply when overtime is continuous with the completion or commencement of that Employee's rostered shift.

50.5 The time spent travelling to and from the place of duty will be deemed to be time worked.

50.6 From 8 July 2024, if an Employee is recalled and is subsequently not required to commence work the Employee is entitled to the minimum payment at clause 50.1 above.

50.7 Emergency on-call/recall

- (a) An Employee rostered on call for the purposes of recall to staff an emergency in a Catheter Laboratory or Operating Theatre (including anaesthetics and recovery) will not be required to work overtime or be otherwise recalled other than for the emergency during that on-call period, subject to (b) below.
- (b) An Employee to whom (a) applies:
 - (i) may be required to remain at work beyond the completion of rostered ordinary hours to conclude a procedure that commenced before the conclusion of rostered ordinary hours;
 - (ii) will be entitled to recall to duty in the event they remain on-duty after the completion of a procedure that commenced before the conclusion of rostered ordinary hours; and
 - (iii) from 8 July 2024, despite (ii) above, will be entitled to recall to duty if the Employee is required to work for 90 minutes or more of overtime after the conclusion of rostered ordinary hours (including where a case continues).

- (c) As far as practicable, and having regard to fatigue considerations, each Employer will seek to ensure that non-emergency overtime/recall will be allocated to Employees to whom (a) does not apply.

51. Recall – Without Return to Workplace

51.1 Where recall to duty can be managed without the Employee having to return to their workplace, such as by telephone or computer, the Employee will be paid a minimum of 1 hour at the appropriate overtime rate for each occasion, provided that multiple recalls within a discrete hour will not attract additional payment.

51.2 Where the Employee is due to commence rostered ordinary hours within 4 hours of the completion of the last recall, and the cumulative recall work in the 8 hours immediately preceding rostered duty meets the following criteria:

- (a) has exceeded two hours work (rather than the time paid); or
- (b) comprises 3 or more recalls over a period of 4 hours or more,

The Employer will:

- (c) not require the Employee to resume or to continue to work without having had 10 consecutive hours off duty without loss of pay for rostered ordinary hours; or
- (d) pay the Employee at the rate of double time until released from duty for 10 consecutive hours, without loss of pay for rostered ordinary hours occurring during such absence.

52. Right to Disconnect

This clause does not apply to casual Employees.

This clause applies from 8 July 2024.

52.1 General

The **Right to Disconnect** refers to an Employee's right under the Act to be able to disengage from work and refrain from engaging in work-related communications, such as emails, telephone calls or other messages, while an Employee is off-duty, including during periods of approved leave or rostered days off.

The primary challenge to an Employee's Right to Disconnect is out of hours contact to determine availability for additional shifts.

52.2 Filling vacancies through the Supplementary Roster

This Agreement makes provision for:

- (a) Availability arrangements via the supplementary rosters,
- (b) Change of roster allowance, and
- (c) On-call and recall arrangements.

The Employer will consult the Supplementary Roster before reliance on mechanisms described at subclauses (b) or (c) above, or otherwise contacting an Employee (including through text message or instant messaging applications (e.g. WhatsApp) to determine their availability for an additional shift or different shift.

52.3 Employer Obligations to Support Right to Disconnect

To support the Right of Employees to Disconnect, the Employer will:

- (a) Undertake a review of its arrangements for contacting Employees out of hours to determine availability, to ensure the system for contact is as efficient as possible, avoiding unnecessary contacts (such as multiple incidents of contact for the same shift) and prioritising use of the supplementary roster; and
- (b) Report the results of the review under subclause 52.3(a) to the WIC and the status of supplementary roster arrangements.
- (c) The actions made under subclauses 52.3(a) and (b) shall occur within the first six months of this Agreement commencing operation and shall be reported to the WIC.
- (d) The WIC will work cooperatively to address any identified instances of contact inconsistent with the clause during the life of this Agreement.

52.4 Employee Right to Disconnect in relation to requests for additional or changed hours of work

Employees are not required to read or respond to emails, messages or phone calls outside of their on-duty periods with respect to offers or requests for additional or changed hours of work unless:

- (a) the Employee has indicated availability for the relevant shift in accordance with clause 46 (Supplementary Roster and Additional Shifts);
- (b) the Employee is in receipt of the on-call allowance for that period as set out in clause 33.2; or
- (c) the Employee has been directed by the Employer to perform overtime.

53. Rest Period after Overtime/Recall

This clause does not apply to recall work performed under clause 51 (Recall Without Return to Workplace).

53.1 When overtime is worked the Employees should have at least 10 consecutive hours off duty between finishing the overtime and the next successive shift.

53.2 Unless clause 54 applies:

- (a) an Employee who works so much overtime that the Employee would not have had at least 10 consecutive hours off duty between the completion of overtime and the commencement of the next rostered shift then, subject to this clause, the Employee will be released after completion of overtime until the Employee has had 10 consecutive hours off duty, without loss of pay for rostered ordinary hours occurring during such absence.
- (b) if an Employee is required by the Employer to resume or to continue to work without having had 10 consecutive hours off duty, the Employee will be paid at the rate of double time until released from duty for 10 consecutive hours, without loss of pay for rostered ordinary hours occurring during such absence.

- 53.3** If the requirements at clause 53.2 result in an Employee commencing ordinary hours with 3 or fewer hours remaining in their rostered shift, the Employee will be paid for the entire rostered shift without any requirement to attend for duty.
- 53.4** The Employer is not to change an Employee's rostered shift/s to avoid the requirements at clause 53.2.

54. Rest Period after Excessive Hours

- 54.1** A non-Casual Employee who:
- (a) normally works four or more shifts per week; and
 - (b) has worked 14 or more continuous hours (from 24 June 2024, this is inclusive of any paid or unpaid breaks) that include any hours of the Employee's rostered day off,
- will be granted a substitute rostered day off on a working day (without loss of pay) as soon as practicable, but not later than 14 days from the excessive hours worked.

55. Daylight Saving

See also clauses 49 (Overtime) and 0 (Accrued Days Off).

- 55.1** Despite the overtime provisions of this Agreement, if an Employee works on a shift during which time changes because of the introduction of, or cessation to, daylight saving, that Employee will be paid for the actual hours worked at the ordinary time rate of pay.

Example: An Employee is rostered to work a ten hour night shift from 9pm through to 7:30am (including a 30 minute meal break). During the course of this shift, the clock is wound forward one hour due to the commencement of daylight saving.

The Employee therefore works nine hours. The Employee is paid nine hours at their ordinary time rate of pay (including any shift penalties or allowances ordinarily payable in respect of this shift).

Example: An Employee is rostered in a ten hour night shift from 9pm through to 7.30am (including a 30 minute meal break). During the course of this shift, the clock is wound back one hour due to the cessation of daylight saving.

The Employee therefore works 11 hours. The Employee is paid 11 hours at their ordinary time rate of pay (including any shift penalties or allowances ordinarily payable in respect of this shift). No overtime is paid for the additional hour worked.

- 55.2** For the purpose of calculating accrued days off, Employees who work on a shift during which time changes because of the introduction of, or cessation to, daylight saving, will be taken to have worked the standard hours for a night shift in accordance with the roster.

PART G – PUBLIC HOLIDAYS, LEAVE AND RELATED MATTERS

56. Public Holidays

*For the purpose of this clause only, a **Weekend Worker** is an Employee who works ordinary hours on a Saturday or Sunday.*

56.1 An Employee will be entitled to paid time off (or penalty payments for time worked) in respect of public holidays in accordance with this clause.

56.2 Subject to clause 56.4, the public holidays to which this clause applies are the days determined under Victorian law as public holidays in respect of the following occasions:

- (a) New Year's Day, Australia Day, Christmas Day and Boxing Day; and
- (b) Good Friday, the Saturday immediately before Easter Sunday (**Easter Saturday**), Easter Sunday, Easter Monday, Anzac Day, King's Birthday and Labour Day; and
- (c) Melbourne Cup Day, or in lieu of Melbourne Cup Day, some other day as determined under Victorian law for a particular locality;
- (d) the Friday before the AFL Grand Final;
- (e) any additional public holiday declared or prescribed in Victoria or a locality in respect of occasions other than those set out in subclause 56.2(a); and
- (f) If a day or days are not determined in respect of any of the occasions in subclause 56.2(a), (b) or (c) under Victorian law in any year, the public holiday for that occasion will be the day or date upon which the public holiday was observed in the previous year.

56.3 Applicability of penalty payments for some public holidays falling on a weekend

When Christmas Day, Australia Day, Boxing Day, or New Year's Day (**Actual Day**) is a Saturday or a Sunday, and a substitute or additional holiday is determined under Victorian law on another day in respect of any of those occasions (**Other Day**):

- (a) Weekend Workers and casual Employees will receive penalty payments pursuant to clause 56.5 for time worked on the Actual Day or on the Other Day (as defined) if the Employee does not work ordinary hours on the Actual Day; and
- (a) all other Employees will receive penalty payments pursuant to clause 56.5 for time worked on the Other Day (as defined).

56.4 Substitution of one public holiday for another

- (a) An Employer and Employee may agree to substitute another day for a day that would otherwise be a public holiday under the Act or this Agreement.
- (b) An Employer and Employee may agree to substitute another part-day for a part-day that would otherwise be a part-day public holiday under the Act or this Agreement.
- (c) Where an agreement under subclause (a) or (b) is reached, it will be recorded in writing and a copy given to the Employee.

56.5 Penalty Payments in respect of public holidays

- (a) An Employee, other than a casual Employee, who performs work (including overtime work) on a public holiday (or where Christmas Day, Boxing Day, New Year's Day or Australia Day fall on a weekend, the day to which penalty rates apply pursuant to clause 56.3) will be entitled to be paid;
- (i) 200% (based on 1/38th of the weekly salary set out in Appendix 2) for the time worked on a public holiday Monday to Friday; or
 - (ii) 250% (based on 1/38th of the weekly salary set out in Appendix 2 for the time worked on a public holiday on a Saturday or Sunday (which is inclusive of the rates in clause 48 (Special Rates for Saturday and Sunday)).
- (b) A casual Employee who performs work (including overtime work) on a public holiday (or where Christmas Day, Boxing Day, New Year's Day or Australia Day fall on a weekend, the day to which penalty rates apply pursuant to clause 56.3) will be entitled to be paid inclusive of the casual loading;
- (i) 250% (based on 1/38th of the weekly salary set out in Appendix 2) for time worked on a public holiday Monday to Friday; or
 - (ii) 312.5% (based on 1/38th of the weekly salary set out in Appendix 2) for time worked on a public holiday on a Saturday or Sunday (which is inclusive of the rates in clause 48 (Special Rates for Saturday and Sunday)).

56.6 Public holidays and night duty

(a) Definition of part of a shift

For the purposes of this clause "**part of a shift**" means that period on a public holiday from:

- (i) midnight to completion of shift; or
 - (ii) commencement of shift to midnight.
- (b) A night duty Employee is entitled to be paid:
- (i) the appropriate public holiday rates for each hour worked on that part of a shift that falls on the public holiday; and
 - (ii) at the pro rata public holiday rostered off benefit for that part of a shift that falls on the public holiday that they are not rostered to work and do not work.

Example: An Employee whose average hours are 0.6EFT is rostered to work from 9.30pm to 7.30am with the shift commencing the day before the public holiday. The hours worked between midnight and 7.30am fall on the public holiday and each hour attracts the public holiday rate, e.g. 7.6 hours at double time. The same Employee is not rostered to the night shift that commences on the public holiday, i.e. the shift that commences at 9pm. The period from 9.30pm to midnight attracts a pro rata payment 2.5 hours x 0.6 (EFT) hours payable.

56.7 Accrued days off on public holidays

See also clause 0 (Accrued Days Off).

Where a public holiday or part-day public holiday falls on a day upon which a full-time Employee would ordinarily have been required to be on duty, but the Employee is on an accrued day off, another day or part day will be determined by the Employer to be taken by the Employee in lieu of the public holiday or part-day public holiday, such day to be within the same work cycle where practical.

56.8 Public Holiday not required to work

Where a public holiday occurs on a day that a part-time or full-time Employee would normally work, but the Employee is not required by the Employer to work on that day, the Employee will be paid an amount equal to the Employee's ordinary rate of pay for the hours the Employee would normally have worked on that day.

56.9 Public holidays occurring on rostered days off

- (a) Subject to subclauses 56.9(c) and (d), a full-time Employee will receive a sum equal to a day's ordinary pay for public holidays that occur on their rostered day off.
- (b) Subject to subclauses 56.9(c) and (d), if a public holiday is a part-day public holiday then subclause 56.9(a) will apply on a pro rata basis for the number of ordinary hours on the part-day public holiday.
- (c) Subject to subclause 56.9(d), if a public holiday falls on Saturday or Sunday then subclause 56.9(a) will only apply to Weekend Workers.
- (d) Where on each occasion an Other Day (as defined) applies as a public holiday in respect of that occasion, and:
 - (i) the Employee is rostered off for both the Actual Day and the Other Day (as defined), then only one day's payment will be made under subclause 56.9(a); or
 - (ii) the Employee works only on one of either the Actual Day or the Other Day (as defined), and receives penalty rates for the day worked, the Employee will not receive a payment under subclause 56.9(a) in respect of the day not worked.

56.10 Additional entitlement for part-time Employees rostered off duty

NOTE: This clause operates in addition to clause 56.8 for part-time employees.

The entitlement to public holiday benefits for a part-time Employee who is rostered off duty on the day on which a public holiday occurs is to be determined as follows:

- (a) Where on each occasion that Christmas Day, Boxing Day, New Year's Day or Australia Day falls on an Other Day (as defined), and the Other Day applies as a public holiday in respect of that occasion, and:
 - (i) a part-time Employee is not rostered on for both the Actual Day and the Other Day (as defined), then only one day's payment will be made under this clause; or
 - (ii) a part-time Employee works on either the Actual Day or the Other Day (as defined), and receives penalty rates for the day worked, the part-time Employee will not receive a payment in respect of the day not worked.
- (b) Where a public holiday occurs on a day a part-time Employee is not rostered to work, the part-time Employee will receive a payment in respect of that public holiday equal to their ordinary pay for the average daily hours worked by that

Employee over the previous six months, or their period of employment by the Employer if less than six months.

Example:

Average Hours	Shift Length	Base Payment	Penalty	Payment
24 hours	X 8 hours	5.05 hours	T1	5.05 hrs
38 hours				

- (c) A part-time Employee who is only ever employed between Monday to Friday, will not receive any entitlement for a public holiday falling on a Saturday or Sunday. If an additional day or substitute day is declared on a weekday in respect to the relevant Saturday or Sunday, this exclusion will not affect the benefits applicable to the additional day or substitute day.

56.11 Recall on a public holiday

A benefit arising from clause 56.8, 56.9, or 56.10 will not be diminished where an Employee is required to, and does, perform recall work on that day in accordance with subclause 49.2(a)(v).

56.12 Annual leave on a public holiday

See clause 57 (Annual Leave).

56.13 Personal leave on a public holiday

See clause 61 (Personal Leave).

57. Annual Leave

This clause does not apply to casual Employees.

57.1 Entitlement to Annual Leave

- (a) An Employee is entitled to 190 hours paid annual leave for each year of service.
- (b) A weekend worker is entitled to a further 38 hours paid annual leave for each year of service as follows:
 - (i) For Full-Time Employees:
 - (A) at the rate of 3.8 hours for each week in which ordinary hours were worked on a weekend (or part thereof) up to a maximum of 38 hours (10 weekends).
 - (ii) For Part-Time Employees:
 - (A) As a proportion of 3.8 hours for each week in which ordinary hours were worked on a weekend (or part thereof) up to a maximum of 10 weekends.

Example: If a part-time Employee who works 24 hours in a week that includes a weekend, they would accrue a proportion of 3.8 hours as follows: $24/38 \times 3.8 = 2.4$ hours.

(c) Annual leave accrues progressively during a year of service according to the Employee's ordinary hours of work and accumulates from year to year.

(i) Savings – weekend worker as at 30 June 2022

If an Employee was accruing six weeks of annual leave as at 30 June 2022 (or would have been but for the operation of a Flexible Working Arrangement, Individual Flexible Working Arrangement/s, or an absence from work on parental leave), the Employee will continue to accrue six weeks of annual leave unless or until:

- (A) the arrangement at subclauses 57.1(a) or (b) is more beneficial for the Employee;
- (B) the Employee changes Employers;
- (C) the Employee requests (and the Employer agrees) to move the Employee from full-time to part-time employment other than as part of a Flexible Working Arrangement, Individual Flexible Working Arrangement, family violence arrangement or reduced hours on return from parental leave); or
- (D) the Employee initiates a change that means they no longer perform weekend work. For example:
 - 1) where an Employee requests a change to a different role that does not require the performance of weekend work;
 - 2) where an Employee requests to move from a rotating or similar roster that includes weekends, to fixed shifts that do not include weekend work; or
 - 3) where an Employee (at their request) relocates to a ward with a different system of work (for the removal of doubt, this does not include where an Employee requests to move to a ward with the same general system of work).

57.2 Taking paid annual leave

- (a) Paid annual leave may be taken for a period agreed between an Employee and their Employer.
- (b) The Employer must not unreasonably refuse to agree to a request by the Employee to take paid annual leave.
- (c) The Employer must publish how an Employee is to make an annual leave request.
- (d) Once annual leave is approved, it must not be unilaterally changed by the Employer. Where extraordinary circumstances arise, such that the Employer wishes the Employee to change the timing of their approved leave, any change may only occur through consultation and agreement.
- (e) Where it is likely the leave request will be rejected, the Employer and Employee will consult on alternate leave days within the 10 day period or, in the case of a high demand holiday period, the period between the date specified at 57.2(g)(i)(A) and 57.2(g)(i)(C).

- (f) Where the paid annual leave is for a period other than a **high demand holiday period**:
- (i) the Employee will submit a written request for annual leave at least 6 weeks prior to the first day of the proposed leave period/s unless it is not reasonable to do so in the circumstances; and
 - (ii) within ten (10) weekdays of the leave request, the Employer will notify the Employee in writing that their annual leave request is approved or, if not approved, the reasons for the leave not being approved.
- (g) **High Demand Holiday Periods**
- (i) An Employer will develop and publish to affected Employees (which may be a specific ward or work area) requirements for a high demand holiday period. Where this occurs, the requirement must:
 - (A) identify the high demand holiday period;
 - (B) identify the date by which a written request for annual leave should be submitted; and
 - (C) identify the date by which the Employer will notify the Employee in writing that their annual leave request is approved or, if not approved, the reasons for the leave not being approved.
 - (ii) In determining applications for high-demand periods, the Employer will consider all the circumstances including but not limited to:
 - (A) the Employer's operational needs;
 - (B) the Employee's family responsibilities; and
 - (C) whether previous leave applications for the same high demand period were or were not successful.

Example: A ward generally receives more applications for annual leave over school term breaks than it can accommodate. This means that school term breaks are 'high demand periods' for that ward within the meaning of this subclause 57.2(f) and the NUM/MUM must publish the information specified above at subclauses 57.2(g)(i)(A) to (C) and, when determining the applications, apply the considerations at subclause 57.2(f)(ii).

57.3 Excess annual leave accruals – general provision

- (a) An Employee has an **excess leave accrual** where the Employee has two years or more of annual leave entitlement accrued in accordance with this clause 57.
- (b) If an Employee has an excess leave accrual, the Employer or the Employee may seek to confer with the other and genuinely try to reach agreement on how to reduce or eliminate the excess leave accrual.

'Genuinely trying to reach agreement' will include:

 - (i) providing the Employee a reasonable opportunity to submit a plan to reduce the leave to not less than eight (8) weeks within six months, subject to subclause 57.3(b)(ii) below; and

- (ii) the Employer not unreasonably refusing to agree to a leave reduction plan which includes saving leave for an extended vacation within 12 months of the date of agreement to the leave reduction plan.
- (c) The leave reduction plan is to be in writing and signed by both the Employer and the Employee.

57.4 Excess Annual leave accruals – no agreement reached

(a) Direction by Employer

Where the Employer has genuinely tried to reach agreement with an Employee under subclause 57.4(b) but agreement is not reached (including because the Employee refuses to confer), the Employer may direct the Employee in writing to take one or more periods of paid annual leave.

However, in directing that the Employee take leave under this subclause 57.4(a):

- (i) the Employee cannot be directed to reduce the accrued leave to less than eight (8) weeks;
- (ii) the Employer cannot require an Employee to take any period of paid annual leave of less than one week;
- (iii) the Employer cannot require the Employee to take a period of paid annual leave beginning less than 8 weeks or more than 12 months after the direction is given; and
- (iv) the direction must not be inconsistent with any leave arrangement agreed by the Employer and Employee.

(b) Where the Employer issues a Direction

Where the Employer issues a direction to the Employee to take paid annual leave in accordance with paragraph (a):

- (i) the Employee must take paid annual leave in accordance with that direction; and
- (ii) the Employee may request to take a period of paid annual leave as if the direction had not been given.

(c) Request by Employee for Leave

If the Employee has genuinely tried to reach agreement with the Employer under subclause 57.4(b) but agreement is not reached (including because the Employer refuses to confer), the Employee may give a written notice to the Employer requesting to take one or more periods of paid annual leave.

However, a notice under this subclause:

- (i) may only be given if the Employee has had an excess leave accrual for more than 6 months at the time of giving the notice;
- (ii) may only be given if the Employee has not been given a direction under subclause 57.4(a) that, when any other paid annual leave arrangements are taken into account would eliminate the Employee's excess accrual;

- (iii) must not, if granted, result in the Employee's remaining accrued entitlement to paid annual leave being, at any time, less than 6 weeks when other paid annual leave arrangements are taken into account;
- (iv) must not provide for the Employee to take any period of paid annual leave of less than one week;
- (v) must not provide for the Employee to take a period of paid annual leave beginning less than 8 weeks or more than 12 months, after the notice is given;
- (vi) must not be inconsistent with any leave arrangement agreed by the Employer and Employee; and
- (vii) must not be for more than 1 full year's entitlement to annual leave as prescribed by clause 57.1 above.

(d) **Where the Employee requests leave by notice**

Where the Employee gives written notice to the Employer to take one or more periods of paid annual leave in accordance with subclause 57.4(c), the Employer must grant paid annual leave requested by the notice under subclause 57.4(c).

(e) **Disputes regarding excess annual leave**

Without limiting the Dispute Resolution Procedure of the Agreement, either an Employee or Employer (or their representative/s) may refer a dispute about the following matters to the Commission:

- (i) a dispute about whether the Employer or Employee has requested a meeting and genuinely tried to reach agreement;
- (ii) a dispute about whether the Employer has unreasonably refused to agree to a request by the Employee to take paid annual leave;
- (iii) a dispute about whether a direction to take leave complies with the clause; or
- (iv) a dispute about a leave reduction plan referenced in subclauses 57.4(b) and (c).

57.5 Short periods of annual leave

Paid annual leave under this clause can be taken in periods less than an Employee's ordinary fortnight (short period), including single days in which case any notice period may be waived by agreement.

57.6 Employee not taken to be on paid annual leave at certain times

(a) **Public Holidays**

See also clause 56 (public holidays).

If an Employee takes paid annual leave during a period that includes a public holiday, the Employee is taken not to be on paid annual leave on that day.

(b) **Other Periods of Leave**

See also clauses 61 (Personal Leave) and 65 (Compassionate Leave).

- (i) An Employee may take other types of leave, such as personal leave or compassionate leave whilst on annual leave. An Employee is taken not to be on paid annual leave whilst on other leave and the Employee's paid annual leave accrual will be amended to reflect this. These provisions do not apply to unpaid parental leave.
- (ii) An Employee taking personal leave whilst on annual leave will provide the Employer with evidence in accordance with clause 61 (Personal Leave).
- (iii) Where an Employee takes other leave during annual leave, any annual leave loading received for a period that is no longer annual leave is taken to have been paid in advance as required in clause 57.7 (Payment for leave) or may be deducted from any payment required to be made under subclause 57.11(a) (Effect of termination on annual leave).

57.7 Payment for leave

- (a) Employees will receive their ordinary pay and any amount required by clause 57.8 (Annual leave loading or penalties) during periods of annual leave.
Ordinary pay for the purposes of this clause means remuneration for the Employee's normal weekly number of hours of work calculated at the ordinary time rate of pay provided that:
 - (i) where an Employee has performed higher duties for an aggregate period of three months or more in a 12-month period, ordinary pay will be adjusted proportionally to reflect the period during which higher duties were performed; and
 - (ii) normal weekly hours for a part-time Employee who performs additional shifts will reflect the additional hours worked over the 12-month period.
- (b) Payment for paid annual leave will be in advance for the period of such leave except for a short period.

57.8 Annual leave loading or penalties

- (a) In addition to ordinary pay (as defined) an Employee will receive the higher of:
 - (i) leave loading of 17.5% calculated on the relevant rate of salary prescribed in Appendix 2, subject to the cap at clause 57.9; or
 - (ii) the payments listed below which the Employee would have received had the Employee not been on leave:
 - (A) shift allowances (clause 34);
 - (B) special rates for Saturdays and Sundays (clause 48);
 - (C) qualification allowance (clause 31);
 - (D) uniform allowances (clause 38); and
 - (E) RIPRN allowance (clause 32).
- (b) From 1 June 2024, leave loading under subclause 57.7(a)(i) is payable on:
 - (i) a maximum of 190 hours in respect of any year of employment, and

- (ii) the Employee's weekly ordinary pay subject to the **cap** (as defined).

57.9 The cap under subclause 57.8(b)(ii) is the weekly rate prescribed by this Agreement for a NM5C.

57.10 To determine which payments the Employee would have received had the Employee not been on leave for the purpose of subclause 57.8(a)(ii), this will be done either by:

- (a) the projected roster, being the roster the Employee would have worked had they not been on leave; or
- (b) where there is no projected roster, the rosters for the 12 weeks immediately preceding the leave excluding any period during which the Employee was not on the roster (for example, because of attendance at approved professional development or another form of paid leave).

57.11 Effect of termination on annual leave

- (a) Where an Employee's employment ends for any reason, the Employer must pay to the Employee any untaken accrued annual leave. The amount payable to the Employee is the amount the Employee would have received had the Employee taken the leave at the time of termination, including any payment under clause 57.8 (Annual leave loading or penalties).
- (b) If annual leave has been taken in advance and, at the time the employment terminates, the Employee has a negative paid annual leave accrual, the Employer may deduct a sum equal to the negative annual leave accrual (at the amount paid at the time the annual leave was taken in advance) from any remuneration payable to the Employee upon termination of employment.

57.12 ADOs and annual leave

See clause 0 (Accrued Days Off).

58. Not Used

59. Cashing Out of Annual Leave

59.1 An Employee may, with the consent of the Employer, choose to cash out paid annual leave in accordance with this clause.

(a) **Written request and written agreement**

An Employee wishing to cash out annual leave must make a written request to the Employer. Where the Employer agrees to that request, the Employee and the Employer will record the agreement in writing.

(b) **Terms of agreement must comply with terms**

A written agreement must comply with the following terms:

- (i) paid annual leave must not be cashed out if the cashing out would result in the Employee having less than six weeks of accrued annual leave;
- (ii) each cashing out of a particular amount of paid annual leave must be by a separate agreement in writing between the Employer and the Employee;

- (iii) the Employee must be paid at least the full amount that would have been payable to the Employee had the Employee taken the leave that the Employee has forgone, including annual leave loading and superannuation to the Employee's nominated Fund; and
 - (iv) an Employee cannot cash out more than 2 weeks paid annual leave in any 12-month period.
- (c) Payments made in accordance with this clause extinguish an Employee's right to access annual leave or receive further payment for the period of annual leave paid out.

59.2 Part-time Employees – cashing out of annual leave where contracted EFT fraction has reduced

A part-time Employee that has reduced their EFT fraction, may request to cash out accrued annual leave in conjunction with taking a period of annual leave so that the total payment for the period is equivalent to the previous EFT fraction. The request and any agreement must comply with the requirements of clause 59.1 above save that:

- (a) the requirement that paid annual leave must not be cashed out if the cashing out would result in the Employee's remaining accrued entitlement to paid leave being less than six weeks calculated using the new EFT fraction; and
- (b) the limit on cashing out no more than 2 weeks annual leave will not apply.

Example: A part-time Employee recently reduced their contracted EFT from 32 hours per week to 16 hours per week. The Employee wishes to take two weeks annual leave. The Employee's payment for annual leave taken would be 32 hours' pay (16 hours per week multiplied by 2), plus annual leave loading.

The Employee has 160 hours of accrued annual leave (i.e. 5 weeks' leave at their previous EFT, or 10 weeks' leave at their new EFT), before taking or cashing out any annual leave.

Subject to the Employee complying with this clause, the Employee may elect to cash out an additional 32 hours' annual leave (plus annual leave loading), at the same time as taking annual leave, so that the total paid to the Employee during the period of leave is:

- (a) *32 hours' pay (16 hours per week multiplied by 2), plus annual leave loading, for annual leave taken; plus*
- (b) *32 hours' pay, plus annual leave loading, for annual leave cashed out.*

At the end of the annual leave period, the Employee retains 6 weeks' annual leave, at the Employee's part-time hours. That is, the Employee will have:

160 hours accrued prior to the leave period, minus 32 hours taken, minus 32 hours cashed out = 96 hours (16 hours multiplied by 6 weeks) accrued annual leave at the end of the leave period.

60. Purchased Leave

This clause does not apply to casual Employees.

- 60.1** An Employee may, if mutually agreed with the Employer, purchase up to 20 working days (pro-rated for part-time Employees) additional paid leave in a 12-month period at ordinary pay. The additional paid leave is purchased through salary deductions made over the whole year. The amount deducted will correspond with the amount of leave purchased.

Example: An Employee who purchased four (4) additional weeks' leave would be paid:

- (a) 48/52; or
- (b) 92.31% of the ordinary rate of pay throughout the relevant 12-month period. If an Employee purchased an additional two (2) weeks' leave, the Employee would be paid 50/52; or
- (c) 96.15% of the ordinary rate of pay throughout the relevant 12-month period.

60.2 Purchased leave may be taken in conjunction with other types of leave.

60.3 Purchased leave must be used in the 12-month period in which it is purchased.

60.4 The Employer may grant purchased leave for a 12-month period, subject to operational requirements. Once approval has been granted, the arrangement may only be varied or cancelled in extraordinary circumstances.

60.5 Where the:

- (a) arrangement has been varied or cancelled because of extraordinary circumstances;
- (b) Employee's employment terminates; or
- (c) purchased leave has not been taken in the relevant 12-month period,

the Employer will refund the amount of salary deducted in respect of any unused purchased leave as a lump sum. In the case of variation or cancellation, payment will be made no later than two pay periods following notification of the variation or cancellation.

60.6 Where the Employee's employment terminates and the amount of purchased leave taken exceeds the amount deducted, the Employer may deduct a sum equal to the negative balance from any remuneration payable to the Employee upon termination of employment.

61. Personal Leave

This clause does not apply to casual Employees. The entitlements of casual Employees are set out in clause 62 (Casual Employment – Caring Responsibility).

61.1 Amount of Paid Personal Leave

- (a) An Employee is entitled to the following amount of paid personal leave:
 - (i) 91 hours and 12 minutes in the first year of service;
 - (ii) 106 hours and 24 minutes in each year in the second, third and fourth years of service; and
 - (iii) 152 hours in the fifth and following years of service.
- (b) Paid personal leave accrues progressively during a year of service according to the Employee's ordinary hours of work (excluding overtime) and accumulates from year to year.

61.2 Payment for leave

- (a) Payment will be made based on the number of ordinary hours the Employee would have worked on the day or days on which the leave was taken.

- (b) An Employee utilising personal leave may take leave for part of a single day. Leave will be deducted on a time for time basis from the Employee's accrued personal leave.

61.3 Access to paid personal leave

Subject to the conditions set out in this clause, an Employee may take paid personal leave if the leave is taken:

- (a) due to personal illness or injury (**sick leave**); or
- (b) to care for or support a member of the Employee's Immediate family or household because of:
 - (i) a personal illness or injury affecting them, including due to the loss of a pregnancy (without derogation of any other entitlements under this Agreement); or
 - (ii) an unexpected emergency affecting them (**carer's leave**).

61.4 In normal circumstances an Employee must not take carer's leave under this clause where another person has taken leave on the same occasion to care for the same person.

61.5 Sick leave

(a) **General**

An Employee may take personal leave for the reasons described at subclause 61.3 above and 61.5(b) below.

(b) **Personal Leave to Attend Appointments**

An Employee may use up to five days' personal leave, in aggregate, in any year of service on account of a disability or where the Employee is required to attend a Registered Health Practitioner or diagnostic appointment.

(c) **Evidence requirements**

An Employee taking sick leave will give the Employer evidence that would satisfy a reasonable person the Employee is absent due to personal illness or injury, in the case of leave taken to attend an appointment (see subclause 61.5(b)) evidence of attendance. Evidence that would satisfy a reasonable person that the Employee is absent due to personal illness or injury includes:

- (i) a medical certificate from a Registered Health Practitioner; or
- (ii) a statutory declaration signed by the Employee with respect to absences on five occasions in any one year not exceeding three consecutive working days each.

(d) **Exception to evidence requirement – single day absences**

An Employee may be absent for a single day without evidence of personal illness or injury as required at subclause 61.5(b) above, on not more than five occasions per year of service. However, an Employee will not be entitled to this benefit if the Employee fails to notify the Employer pursuant to health service procedure of the single day absence as set out at subclause 61.5(e) below.

(e) **Notice requirements**

- (i) An Employee should inform the Employer of their absence no less than 1.5 hours prior to the commencement of the rostered shift or as soon as reasonably practicable to allow the Employer to take necessary steps to backfill the absence. This provision does not apply where an Employee could not comply because of circumstances beyond the Employer's control.
- (ii) The Employer will inform Employees of the procedure for notification by Employees of their inability to attend work due to illness or injury. All such notifications will be registered, detailing the time of notification and the name of the Employee.

(f) **Failure to provide notice of absence**

Personal leave will not be withheld by an Employer until all reasonable steps have been taken to investigate the Employee's lack of notice as required by this subclause 61.5(e) regarding the absence from duty. Such an investigation must provide the Employee with an opportunity to give reasons as to why notification was not given.

61.6 Carer's leave

(a) **Evidence requirements**

The Employee must, if required by the Employer, establish by production of a statutory declaration or other evidence that would satisfy a reasonable person, that a member of the Employee's Immediate family or household has either:

- (i) an illness or injury; or
- (ii) an unexpected emergency,

that requires their care or support. In the case of an unexpected emergency, the Employee will identify the nature of the emergency. An 'unexpected emergency' includes providing care or support to a member experiencing family violence as described at subclause 64.5(b).

(b) **Notice requirements**

The Employee must, where practicable, give the Employer notice of the intention to take leave prior to the absence, that includes:

- (i) the name of the person requiring care or support and their relationship to the Employee;
- (ii) the reasons for taking such leave; and
- (iii) the estimated length of absence.

If it is not practicable for the Employee to give prior notice of absence, the Employee must notify the Employer of the absence by telephone at the first opportunity on the day of absence.

(c) **Unpaid leave where accruals exhausted**

An Employee who has exhausted paid personal leave entitlements is entitled to take unpaid carer's leave. The Employer and the Employee will agree on the period. In the absence of agreement, the Employee is entitled to take up to two

days (or two full shifts where ordinary shifts exceed 8 hours) per occasion, provided the evidentiary requirements are met.

61.7 Personal leave on a public holiday

See also clause 56 (Public Holidays).

If the period during which an Employee takes paid personal leave includes a day or part day that is a public holiday in the place where the Employee is based for work purposes, the Employee is taken not to be on paid personal leave on that public holiday.

61.8 Portability of Personal Leave

- (a) Where an Employee is and has been in the service of:
- (i) an Employer (as defined);
 - (ii) an Institution registered and subsidised under the *Hospitals and Charities Act 1958* (Vic), the *Health Services Act 1988* (Vic);
 - (iii) of the Cancer Institute Board;
 - (iv) of the Victorian Bush Nursing Association (Incorporated);
 - (v) a Bush Nursing institution;
 - (vi) a Statutory Authority including the Nurses Board of Victoria;
 - (vii) the Fairfield Hospital Board;
 - (viii) the Royal District Nursing Service;
 - (ix) the Australian Red Cross Blood Service;
 - (x) subject to subclause 61.8(d):
 - (A) a Council in Victoria as defined in the *Local Government Act 2020* (Vic); or
 - (B) a public health service in another State or Territory,

transfers to an (or another) Employer, the Employer will credit accumulated personal leave to such an Employee in their new employment. The Employer may require an Employee to produce a written statement from their previous employing Institution specifying the amount of accumulated personal leave standing to the credit of such Employee at the time of leaving that previous employment. Where an Employee transfers to an (or another) Employer and remains engaged on casual bank/or as a casual Employee with their previous Employer, the new Employer will not exclude the Employee from any benefit under this clause 61.8.

- (b) Continuity of service will be deemed to be unbroken where the period of absence is equal to or less than an Employee's Allowable Period of Absence between an engagement with one employer named in subclause 61.8(a) and another. An absence in excess of the Allowable Period of Absence will operate so as to exclude the Employee from any benefit under this clause 61.8.
- (c) Provided further that where any Employee for the sole purpose of undertaking a course of study related to nursing or midwifery is, with the written approval of the Employer, absent without pay for up to but not exceeding 104 weeks, such absence will not be deemed to have broken continuity of service but will not be

counted as service for the purpose of establishing entitlement to personal leave portability.

- (d) For the purposes of subclause 61.8(a), the portability of accrued untaken personal leave with a Council in Victoria, or a public health service in another State or Territory is subject to the following additional matters:
- (i) portability will only apply on the first occasion that the Employee commences employment with an Employer after 8 July 2024; and
 - (ii) portability will only apply where the break between ceasing employment with the relevant Council or interstate public health service, and commencing employment with an Employer, is no more than the greater of two months or the Allowable Period of Absence.
 - (iii) once interstate accrual of personal leave is recognised in accordance with this clause, portability of that leave accrual will continue to be applicable subject to clause 61.8.

61.9 Termination of Employment while on Personal Leave

No Employer will terminate the services of an Employee during the currency of any period of personal leave, with the object of avoiding obligations under this clause.

61A Personal Leave Pool

- 61A.1** The Employer may establish a personal leave pool whereby eligible Employees have access, in defined situations, to additional paid personal leave hours that has been voluntarily donated to the pool by other Employees.
- 61A.2** Where this occurs, the Employer will publish criteria that defines the circumstances under which an Employer can (subject to the NES):
- (a) Donate accrued personal leave,
 - (b) Access personal leave from the personal leave pool.
- 61A.3** A donation to a personal leave pool is irrevocable and the personal leave balance of the donating Employee under clause 61 will be adjusted.

62. Casual Employment – Caring Responsibilities

- 62.1** Subject to the evidentiary and notice requirements that apply to carer's leave under clause 61.6, a casual Employee is entitled to be unavailable to attend work, or to leave work, if they need to provide care or support to a member of the Employee's Immediate family or household because of:
- (a) a personal illness, or personal injury, affecting them;
 - (b) an unexpected emergency affecting them; or
 - (c) the birth of a child.
- 62.2** The Employer and the Employee will agree on the period for which the Employee will be entitled to be unavailable to attend work. In the absence of agreement, the Employee is entitled to not be available to attend work for up to two days per occasion, which may be

taken as a single continuous period of up to two days or any separate periods to which the Employer and Employer agree.

62.3 The casual Employee is not entitled to any payment for the period of non-attendance.

62.4 An Employer must not fail to re-engage a casual Employee because the Employee accessed the entitlements provided for in this clause. The rights of an Employer to engage or not to engage a casual Employee are otherwise not affected.

63. Fitness for Work

63.1 In this clause 63, **Treating Practitioner** means any AHPRA Registered Health Practitioner relevant to the fitness for work concern including, where relevant, an AHPRA-registered health practitioner delivering a program (such as the Nursing and Midwifery Health Program Victoria) attended by the Employee, or a psychologist.

63.2 Fit for Work

- (a) The Employer is responsible for providing a workplace that is safe and without risk to health for Employees, so far as is reasonably practicable.
- (b) Each Employee is responsible for ensuring that they are fit to perform their duties without risk to the safety, health and well-being of themselves and others within the workplace. This responsibility includes compliance with reasonable measures put in place by the Employer and any related occupational health and safety requirements.

63.3 Addressing concerns about Fitness for Work

- (a) In the event the Employee's manager forms a reasonable belief (as defined at subclause 63.3(b) below) that an Employee may be unfit to perform their duties, the Employer will act in a timely manner to promote physical, mental and emotional health so that Employees can safely undertake and sustain work.
- (b) In this clause **reasonable belief** means a belief based on sufficient evidence that supports a conclusion on the balance of probabilities. Nothing in this clause permits an Employer to act contrary to the *Health Records Act 2001 (Vic)*.
- (c) The Employer will:
 - (i) take all reasonable steps to give the Employee an opportunity to answer any concerns which are the subject of the reasonable belief (which will include the Employer outlining the concern in writing and offering to meet the Employee),
 - (ii) recognise the Employee's right to have a representative, including a Union representative, at any time when meeting with the Employer;
 - (iii) genuinely consider the Employee's response with a view to promoting physical, mental and emotional health so that Employees can safely undertake and sustain work; and
 - (iv) take these responses into account in considering whether reasonable adjustments can be made in order that the Employee can safely undertake and sustain work.

63.4 Report from Treating Practitioner

- (a) Where, after discussion with the Employee, the Employer continues to have a reasonable belief that the Employee is unfit to perform the duties, the Employer

may request the Employee to obtain a report from the Employee's Treating Practitioner regarding the Employee's fitness for work, provided that:

- (i) An Employee receiving treatment from a Treating Practitioner under the Nursing and Midwifery Health Program Victoria shall not be required to obtain a report from that practitioner and may instead obtain the report from a different Treating Practitioner.
- (b) Where this occurs:
 - (i) the Employer will:
 - (A) provide to the Employee, in writing, the concerns and information that forms the basis of the reasonable belief to assist the Employee's Treating Practitioner to provide a report to the Employee; and
 - (B) cover the cost and expenses of the appointment and report; and
 - (ii) The Employee will:
 - (A) advise the Employer of the Employee's Treating Practitioner;
 - (B) provide a copy of the report to the Employer; and
 - (C) meet with the Employer to discuss any report.

(c) **Report from IME**

If, on receipt of the report, and (where reasonably practicable) following discussion, the Employer continues to have a reasonable belief that the Employee is unfit for duty, or the Employee does not provide a report from the Treating Practitioner, the Employer may require the Employee to attend an independent medical examination (**IME**).

The Employer will:

- (i) pay for the cost and expenses of the appointment and report;
- (ii) provide a copy of the IME report to the Employee; and
- (iii) meet with the Employee to discuss any report.

(d) **Information to Employee before IME**

Before the Employee attends an IME under subclause 63.3(c) above, the Employee will be provided with a copy of:

- (i) the name of the proposed IME; and
- (ii) any correspondence (including any supporting material) proposed to be sent to the IME.

(e) **Employee consultation and right to supplement information**

Before attending an IME, the Employee may:

- (i) supplement the material to be provided to the IME; and/or

- (ii) meet with the Employer to consult about the material the Employer proposes to provide the IME. The Employee's representative may attend the meeting.

(f) **Relationship to WIRC**

- (i) This sub-clause 63.4 does not apply to an injury that is the subject of an active WorkCover claim. Matters regarding an Employee's Fitness for Work regarding an injury that is the subject of a WorkCover claim will be managed in accordance with the WIRC Act including the Employer's obligation to provide a safe work environment.

(g) **Relationship to Personal Leave**

The processes in this clause 63 do not apply to a period of personal leave under clause 61 of this Agreement.

(h) **Safe Work Environment is paramount**

Nothing in this clause 63 prevents an Employer from taking any reasonable step in the workplace to ensure a safe work environment.

63A Reasonable Adjustments for Employees with a disability

63A.1 Purpose

The purpose of this clause is to reflect the obligations of the EO Act with respect to reasonable adjustments for Employees with a disability. The obligations apply regardless of whether the disability is or has been the subject of a WorkCover claim.

63A.2 Definitions

- (a) **Disability** has the same meaning as section 4 of the EO Act and includes:

- (i) malfunction of a part of the body including a mental or psychological disease or disorder or condition or disorder that results in a person learning more slowly than those without the condition or disorder;
- (ii) total or partial loss of a bodily function;
- (iii) presence in the body of organisms that may cause disease; or
- (iv) total or partial loss of a part of the body,

and includes a disability which is temporary or ongoing and that may exist in the future (including because of a genetic predisposition to that disability) and, to avoid doubt, behaviour that is a symptom or manifestation of a disability.

- (b) **Reasonable adjustments** has the same meaning as section 20 of the EO Act and requires consideration of all relevant facts and circumstances including:

- (i) the Employee's circumstances, including the nature of the disability;
- (ii) the nature of the Employee's role;
- (iii) the nature of the adjustment required to accommodate the Employee's disability;
- (iv) the financial circumstances of the Employer;

- (g) **Flexible Long Parental Leave**
 - (i) An Eligible Employee may take up to 100 days of their Long Parental Leave entitlement (**Flexible Long Parental Leave**) during the 24-month period starting on the date of birth (including a Stillbirth) or day of placement of the Child if the requirements of this clause are satisfied in relation to the leave.

- 3) the Child developed a complication or contracted an illness following the Child's birth; and

(B) an Employee, whether before or after the birth of the Child, gives notice in accordance with clause 68.6 of the taking of a period of unpaid parental leave (the **original leave period**) in relation to the Child,

then the Employee may agree with their Employer that the Employee will not take unpaid parental leave for a period (**the permitted work period**) while the Child remains in hospital.

(ii) If the Employee and Employer so agree, then the following rules have effect:

(A) the Employee is taken to not be taking unpaid parental leave during the permitted work period;

(B) the permitted work period does not break the continuity of the original leave period; and

(C) the Employee is taken to have advised the Employer, for the purposes of subclause 68.6(b), of an end date for the original leave period that is the date on which that period would end if it were extended by a period equal to the permitted work period.

(iii) The permitted work period must start after the birth of the Child.

(iv) The permitted work period ends at the earliest of the following:

- (C) if the Child dies before being discharged, the end of the day the Child dies.
- (v) Only one period of permitted work may be agreed to under subclause 68.3(h)(i) for which the Employee will not take unpaid parental leave in relation to the Child.
- (vi) The Employee must, if required by the Employer, give the Employer evidence (including without limitation, a medical certificate) that would satisfy a reasonable person of either or both of the following:
 - (A) that subclause 68.3(h)(i)(A) applies in relation to the child; and/or
 - (B) that the Employee is fit for work.

68.4 Short Parental Leave – Unpaid

- (a) This clause applies to an Eligible Employee who is a member of an Employee Couple.
- (b) An Eligible Employee who will not be the Primary Carer of a Child may take leave concurrently with any parental leave taken by the other member of the Employee Couple who will be the Primary Carer. Short Parental Leave may be taken in separate periods but, unless the Employer agrees, each period must not be shorter than two weeks.
- (c) The period of Short Parental Leave will be deducted from the period of Long Parental Leave to which the Eligible Employee is entitled under clause 68.3 (if applicable).

68.5 Paid Parental Leave

- (a) An Eligible Employee commencing parental leave is entitled to paid parental leave on the following basis:
 - (i) a Primary Carer taking Long Parental Leave will be entitled to 14 weeks' paid parental leave, provided that the Long Parental Leave is taken contemporaneously with the birth or placement of the Child (subject to subclause 68.3(h), in which case the Employee taking Long Parental Leave may agree with the Employer that the Employee will not take Long Parental Leave during the permitted work period while the Child remains hospitalised); and
 - (ii) a non-Primary Carer taking Short Parental Leave will be entitled to two weeks' paid parental leave,

save that an Eligible Employee is not entitled to both paid Long Parental Leave and paid Short Parental Leave in respect of the same birth or Adoption event.

Paid parental leave is in addition to any relevant Commonwealth Government paid parental leave scheme (subject to the requirements of any applicable legislation).

- (b) The Employer and Eligible Employee may reach agreement as to how the paid parental leave under this Agreement is paid. For example, such leave may be paid in smaller amounts over a longer period, consecutively or concurrently with any relevant Commonwealth Government parental leave scheme (subject to the requirements of any applicable legislation) and may include a voluntary contribution to superannuation.

- (c) Such agreement must be in writing and signed by the parties. The Eligible Employee must nominate a preferred payment arrangement at least four weeks prior to the expected date of birth or date of placement of the Child. In the absence of agreement, such leave will be paid during the ordinary pay periods corresponding with the period of the leave.
- (d) A variation to the payment of paid parental leave resulting in, for example, the paid leave being spread over more than 14 weeks does not affect the period of continuous service recognised. For example, an Employee taking 28 weeks at half pay will, for the purpose of calculating continuous service, have fourteen weeks of continuous service recognised. An Employee taking seven (7) weeks at double pay will have 14 weeks of continuous service recognised.
- (e) The paid parental leave prescribed by this clause will be concurrent with any relevant unpaid entitlement prescribed by the NES/this Agreement.
- (f) **Calculation of a week's pay for part-time Eligible Employees**

For the purposes of this clause 68, where a part-time Employee's ordinary hours of work fluctuate because the Employee works additional ordinary shifts (but excluding a permanent variation), their weekly pay will be the greater of:

 - (i) their ordinary weekly hours at the time paid parental leave is taken; or
 - (ii) the average weekly ordinary hours the Employee worked over the preceding 12 months.

68.6 Notice and evidence requirements

- (a) Subject to subclause 68.6(e) (Notice - Flexible Long Parental Leave), an Employee must give at least 10 weeks' written notice of the intention to take parental leave, including the proposed start and end dates. At this time, the Employee must also provide a statutory declaration stating:
 - (i) that the Employee will become either the Primary Carer or non-Primary Carer of the Child, as appropriate;
 - (ii) the particulars of any parental leave taken or proposed to be taken or applied for by the Employee's Spouse; and
 - (iii) that for the period of parental leave the Employee will not engage in any conduct inconsistent with their contract of employment.
- (b) Subject to subclause 68.6(e) (Notice - Flexible Long Parental Leave), at least four weeks before the intended commencement of parental leave, the Employee must confirm in writing the intended start and end dates of the parental leave, or advise the Employer of any changes to the notice provided in subclause 68.6(a), unless it is not practicable to do so.
- (c) The Employer may require the Employee to provide evidence which would satisfy a reasonable person of:
 - (i) in the case of birth-related leave:
 - (A) the date of birth, or expected date of birth, of the Child (including without limitation, a medical certificate or certificate from a registered midwife, stating the date of birth or expected date of birth); and
 - (B) if relevant, that their Child was stillborn (including without limitation, a certification by a medical practitioner or

registered midwife of the child as having been delivered);
or

- (ii) in the case of Adoption-related leave, the commencement of the placement (or expected day of placement) of the Child and that the Child will be under 16 years of age as at the day of placement or expected day of placement.
- (d) An Employee will not be in breach of this clause if failure to give the stipulated notice is occasioned by the birth of the Child or placement occurring earlier than the expected date or in other compelling circumstances. In these circumstances the notice and evidence requirements of this clause should be provided as soon as reasonably practicable.
- (e) **Notice requirements - Flexible Long Parental Leave**
- (i) If an Employee wishes to take Flexible Long Parental Leave, the Employee must give notice to the Employer as follows:
 - (A) where the Employee also takes unpaid Long Parental Leave or Short Parental Leave under clauses 68.3 or 68.4 (**the original leave**);
 - 1) at the same time as the Employee gives notice in accordance with subclause 68.6(a) in relation to the original leave, unless subclause 2) below applies; or
 - 2) if the Employee takes more than one period of unpaid Short Parental Leave, at the same time as the Employee gives notice in accordance with subclause 68.6(a) in relation to the first of those periods of leave; or

 - (ii) If the Employer agrees, the notice may be given at a later time than that specified in subclause 68.6(e)(i).
 - (iii) The notice under subclause 68.6(e)(i) must specify the total number of days (**Flexible Days**) of Flexible Long Parental Leave that the Employee intends to take in relation to the Child.
 - (iv) If the Employer agrees, the Employee may:
 - (A) reduce the number of flexible days, including by reducing the number of flexible days to zero; or

 - (i) Where a pregnant Eligible Employee continues to work during the six week period immediately prior to the expected date of birth, the Employer may require the Eligible Employee to provide a medical certificate stating that they are fit for work and, if so, whether it is inadvisable for them to continue in their present position because of illness or risks arising out of the Eligible Employee's pregnancy or hazards connected with the position.
 - (ii) Where a request is made under subclause 68.7(b)(i) and an Eligible Employee:

The Eligible Employee must give notice to the Employer as soon as practicable, advising the Employer of the period or the expected period of the leave under this provision.

Nothing in this clause detracts from the basic entitlement in clause 68.3 (Long Parental Leave – Unpaid) or clause 68.12 (Right to request an extension of period of unpaid parental leave beyond 12 months).

- (b) If the Employer and Eligible Employee agree, the Eligible Employee may further extend, or reduce the period of parental leave.

 - (B) that there is no capacity to change the working arrangements of other Employees to accommodate the extension of the period of unpaid parental leave requested by the Employee;
 - (C) that it would be impractical to change the working arrangements of other Employees, or recruit new Employees, to accommodate the extension of the period of unpaid parental leave requested by the Employee;

If the Employer refuses the request, the written response must include:

(i) the details of the reasons for the refusal, including the business grounds for refusing the request and how those grounds apply to the Employee's request; and

Without limiting the Dispute Resolution Procedure in the Agreement at first instance, the Employer and Employee will attempt to resolve the dispute at the workplace level through discussion before it is referred to the Commission.

(g) **Reasonable opportunity to discuss**

The Employer must not refuse the request unless the Employer has given the Eligible Employee a reasonable opportunity to discuss the request.

(h) **Employee Couples**

(i) the request must specify any amount of Long Parental Leave that the other member of the Employee Couple has taken, or will have taken in relation to the Child before the extension starts;

(ii) if the other member of the Employee Couple has given notice of an intention to take Flexible Long Parental Leave (in accordance with subclause 68.6(e)), the request must specify the number of flexible days that will not have been taken when the period of extended leave commences;

(iii) the period of extension cannot exceed 12 months, less any period of Long Parental Leave (other than Flexible Long Parental Leave) that the other member of the Employee Couple has taken, or will have taken, in relation to the Child before the extension starts, as well as a

period equal to the other member's Notional Flexible Period (if subparagraph 68.12(h)(ii) applies above); and

- (iv) the amount of Long Parental Leave to which the other member of the Employee Couple is entitled under clause 68.3 in relation to the Child is reduced by the period of the extension.

- (b) For the purpose of this Agreement, an Employer will:
 - (i) agree to an Eligible Employee using annual leave in accordance with clauses 57.3(a) and (b); and/or
 - (ii) grant long service leave in accordance with clauses 70.7(a) or 70.7(c) concurrently with Parental leave, either before or after paid parental leave.
- (c) Except as provided at clauses 57.4 and 57.5 (regarding excess annual leave accruals), nothing in this Agreement permits an Employer to require the taking of annual leave during a period of parental leave.

68.14 Transfer to a safe job

- (a) For the purposes of subclause 68.7(b)(iii), where an Employee is pregnant and provides evidence that would satisfy a reasonable person that they are fit for work but it is inadvisable for the Employee to continue in their present position for a stated period (the **risk period**) because of:
 - (i) illness or risks arising out of the pregnancy, or
 - (ii) hazards connected with the position,the Employee must be transferred to an appropriate safe job if one is available for the risk period, with no other change to the Employee's terms and conditions of employment.

- (d) This entitlement to paid no safe job leave is in addition to any other leave entitlement the Eligible Employee may have.
- (e) If an Eligible Employee, during the six-week period before the expected date of birth, is on paid no safe job leave, the Employer may request that the Eligible Employee provide a medical certificate within seven (7) days stating whether the Eligible Employee is fit for work.
- (f) If, the Eligible Employee has either:
 - (i) not complied with the request from the Employer under (e) above; or
 - (ii) provided a medical certificate stating that she is not fit for work,then the Eligible Employee is not entitled to no safe job leave and the Employer may require the Eligible Employee to take parental leave as soon as practicable.

(g) **Unpaid no safe job leave**

If:

- (i) subclause 68.14(a) applies to a pregnant Employee but there is no appropriate safe job available;
- (ii) the Employee will not be entitled to Long Parental Leave as at the expected date of birth; and
- (iii) the Employee has given the Employer evidence that would satisfy a reasonable person of the pregnancy if required by the Employer (which may include a requirement to provide a medical certificate),

the Employee is entitled to unpaid no safe job leave for the risk period.

68.15 Returning to work after a period of parental leave

- (a) An Eligible Employee must confirm to the Employer that the Eligible Employee will return to work as scheduled after a period of Long Parental Leave at least four weeks prior to the end of the leave, or where that is not practicable, as soon as practicable.
- (b) An Eligible Employee will be entitled to return:
 - (i) unless subclause 68.15(b)(ii) or subclause 68.15(b)(iii) applies, to the position which they held immediately before proceeding on parental leave;
 - (ii) if the Eligible Employee was promoted or voluntarily transferred to a new position (other than to a safe job pursuant to clause 68.14), to the new position;

- (c) Subclause 68.15(b) is not to result in the Eligible Employee being returned to the safe job to which the Eligible Employee was transferred under clause 68.14. In such circumstances, the Eligible Employee will be entitled to return to the position held immediately before the transfer.
- (d) Where the relevant former position (per subclauses 68.15(b) and 68.15(c) above) no longer exists, an Eligible Employee is entitled to return to an available position for which the Eligible Employee is qualified and suited nearest in status and pay to that of their pre-parental leave position.
- (e) The Employer must not fail to re-engage an Eligible Employee because:
 - (i) the Eligible Employee or Eligible Employee's Spouse is pregnant; or

 - (B) if the action is taken under subclause 68.15(g)(i)(B), immediately before the specified day.
 - (iii) This subclause 68.15(g) does not limit subclause 68.11(b) (dealing with the Employee reducing the period of unpaid parental leave with the agreement of the Employer).
- (h) **Employee who ceases to have responsibility for care of Child**
 - (i) This subclause applies to an Employee who has taken unpaid Long Parental Leave in relation to a Child if the Employee ceases to have any responsibility for the care of the Child for a reason other than because:

- (c) The Eligible Employee will also notify the Employer of changes of address or other contact details which might affect the Employer's capacity to comply with clause 68.17.

68.18 Keeping in touch days

- (a) This clause does not prevent an Eligible Employee from performing work for the Employer on a keeping in touch day while the Eligible Employee is taking Long Parental Leave. If the Eligible Employee does so, the performance of that work does not break the continuity of the period of Long Parental Leave.
- (b) Any day or part of a day on which the Eligible Employee performs work for the Employer during the period of leave is a keeping in touch day if:

- (i) the purpose of performing the work is to enable the Eligible Employee to keep in touch with their employment in order to facilitate a return to that employment after the end of the period of leave;

- (b) Where an Employee seeks additional paid work in accordance with subclause 68.19(a), the performance of such work is without prejudice to any benefits to which the Employee is entitled under this Agreement in respect of their substantive employment, including under clauses 68.15 and 68.18.

Long service leave will be granted by the Employer within six months from the date of the entitlement under subclause 70.4(a) save that:

- (i) long service leave may be postponed to a mutually agreeable date;
- (ii) if agreement cannot be reached, the date will be determined by a member of the Fair Work Commission provided that such a determination will not require leave to commence before six months from the date of such determination; and
- (iii) leave the subject of approval or grant under subclause 70.7(c) shall be taken in accordance with the terms of the application or agreement.

(b) How leave is to be taken

Long service leave will be taken:

- (i) in one period or more periods, with each period being not less than 1 day; or
- (ii) where it is taken as part of a transition to retirement arrangement, any other way agreed upon by the Employer and Employee.

(c) Long service leave in advance

- (i) If an Award-entitled Employee has completed ten years' Continuous Service, an Employer may, by agreement with the Employee, grant long service leave in advance on a pro rata basis.
- (ii) Supplementary to subclause 70.7(c)(i), if an Award-entitled Employee requests to take long service leave on a pro rata basis under subclause 70.4(b), the Employer must grant the Employee's request to take long service leave as soon as practicable after receiving the request unless the Employer has reasonable business grounds for refusing the request.

(d) Flexible taking of leave: double leave at half pay

- (i) An Employer may approve an application by an Award-entitled Employee to take double the period of long service leave at half pay.
- (ii) Employees should seek independent advice regarding the taxation and superannuation implications of seeking payment under this subclause 70.7(d). The Employer will not be held responsible in any way for the cost or outcome of any such advice.
- (iii) The Employer, if requested by the Employee, will provide information as to the amount of tax the Employer intends to deduct where payment of long service leave is sought under subclause 70.7(d)(i).
- (iv) If granting the request under this subclause would result in an additional cost to the Employer, the Employer may refuse the Employee's request.

- (v) Flexible taking of long service leave does not affect an Employee's period of continuous service recognised. For example, an Employee taking 12 months of long service leave at half pay will, for the purpose of calculating continuous service, have six months of continuous service recognised.

70.8 Payment on termination of employment

(a) Interpretation

For the purposes of this clause 70.8, termination of employment has its ordinary meaning, provided that:

- (i) it is taken to occur upon conversion from full-time or part-time employment to casual employment; and
- (ii) it is not taken to occur at the cessation of each shift as a casual Enrolled Nurse.

(b) Basic entitlement at termination of employment

Except where an election is made under subclause 70.8(c) below, an Employee with an entitlement to long service leave under clause 70.4 is entitled to payment in lieu of untaken long service leave upon termination of employment, calculated at the applicable rate, namely:

- (i) for full-time and part-time Registered Nurses and Registered Midwives who derive a long service leave entitlement at the mixed accrual rates referred to in clause 70.6 above, at those rates (provided that the termination occurred on or after 23 December 2016); or
- (ii) otherwise, one thirtieth of the period of continuous service.

(c) Election for payment of entitlement or transfer of entitlement at termination

- (i) An Award-entitled Employee who has an entitlement to take long service leave on a pro rata basis under subclause 70.4(b) (who therefore has less than 15 years' continuous service) and who intends to be re-employed by another Institution or Statutory Body may:
 - (A) request in writing that payment for accrued long service leave be deferred until after the Employee's Allowable Period of Absence (as defined above) has expired; and
 - (B) where the Employee notifies the initial Employer in writing within the Allowable Period of Absence that the Employee has been employed by another Institution or Statutory Body, and the re-employment meets the criteria set out in subclause 70.8(c)(iii) below, the initial Employer is no longer required to make payment to the Employee in respect of such service.
- (ii) Where the notice referred to at subclause 70.8(c)(i)(B) is not provided prior to or within the Allowable Period of Absence, the Employer will, upon the expiration of the Allowable Period of Absence, make payment in lieu of long service leave as per subclause 70.8(b).

(iii) For the purposes of this subclause, re-employment by another Institution or Statutory Body means employment as an Award-entitled Employee.

(iv) For the removal of doubt, an Award-entitled Employee who has an entitlement to take long service leave under subclause 70.4(a) may not make an election under this clause in respect of that entitlement.

(d) **Payment in lieu of long service leave on the death of an Employee**

Where an Employee who has an entitlement to long service leave (or pro rata long service leave) under clause 70.4 dies while still in the employ of the Employer, payment in lieu of long service leave will be made to the Employee's personal representative equal to that in subclause 70.8(b) above.

70.9 Public holidays and Accrued Days Off

Long service leave is inclusive of Public Holidays and Accrued Days Off. See also clauses 56 (Public Holidays) and 43 (Accrued Days Off).

70.10 No entitlement arising for periods of leave already taken

For the removal of doubt, where an Employee makes an election under subclause 70.8(c) such that their previous service is recognised by the new Employer, the Employee's previous employer is no longer liable to make any payment in lieu of that Employee's service.

70.11 Not used

Part 3 - Long service leave for Casual Registered Nurses and Casual Registered Midwives

70.12 Application of Part 3

A Casual Registered Nurse or Casual Registered Midwife shall be entitled to long service leave with ordinary pay in accordance with this Part 3 (clauses 70.12 - 70.19).

70.13 Interpretation

For the purposes of this Part 3:

- (a) **One Employer** has the meaning given in section 11 of the LSL Act;
- (b) **Continuous employment** has the meaning given in sections 12-14 and 57 of the LSL Act;
- (c) **Ordinary pay** has the meanings given in sections 15, 17 and 21 of the LSL Act; and
- (d) **Normal weekly hours** has the meaning given in sections 16 and 17 of the LSL Act.

70.14 Entitlement

At any time after completing 7 years of Continuous employment with one Employer, an Employee is entitled to an amount of long service leave on ordinary pay equal to 1/60th of the Employee's total period of Continuous employment less any period of long service leave taken during that period.

70.15 Taking of leave

(a) **When leave is to be taken**

In accordance with section 18(2) of the LSL Act, an Employer must grant an Employee's request to take long service leave as soon as practicable after receiving the request unless the Employer has reasonable business grounds for refusing the request.

(b) **How leave is to be taken**

In accordance with section 18(1) of the LSL Act, an Employee may request to take long service leave for a period of not less than 1 day.

(c) **Long service leave in advance**

(i) Subject otherwise to this Part 3 and in accordance with section 8(1) of the LSL Act, an Employer may agree to a casual Registered Nurse or casual Registered Midwife taking long service leave prior to them completing 7 years of Continuous employment and at any time before they become entitled to long service leave.

(ii) If an Employee takes long service leave in advance and the Employee's employment ends before the entitlement to the leave would otherwise have accrued:

(A) the amount paid for the proportion of leave which the Employee will not become entitled becomes an amount owed by the Employee to the Employer;

(B) the Employer may deduct this amount from any payment owed to the Employee as a result of the ending of employment; and

(C) the relevant period of service will not count as a period in respect of which long service leave has already been taken (or paid in lieu) for the purpose of subclause 70.5(b) above (Periods that count towards Continuous Service).

(d) **Flexible taking of leave: double leave at half pay**

(i) An Employee may request an Employer to take double the period of long service leave at half pay.

(ii) An Employer must grant such a request unless:

(A) granting the request would result in an additional cost to the Employer; or

(B) the Employer otherwise has reasonable business grounds for refusing the request.

(iii) Employees should seek independent advice regarding the taxation and superannuation implications of seeking payment under this subclause 70.15(d). The Employer will not be held responsible in any way for the cost or outcome of any such advice.

(iv) The Employer, if requested by the Employee, will provide information as to the amount of tax the Employer intends to deduct where payment of long service leave is sought under this subclause.

70.16 Payment on termination of employment

(a) **Basic entitlement at termination of employment**

An Employee with seven or more years of Continuous employment is entitled to payment in lieu of untaken long service leave upon termination of employment, calculated at 1/60th of the period of Continuous employment.

(b) **Payment in lieu of long service leave on the death of an Employee**

Where an Employee covered by this part has completed at least seven years' Continuous employment and dies while still in the employ of the Employer, payment in lieu of long service leave will be made to the Employee's personal representative equal to that in subclause 70.16(a) above.

70.17 Public holidays & Annual leave

Long service leave does not include any public holiday occurring, or annual leave taken, during the period when the long service leave is taken.

70.18 No entitlement arising for periods of leave already taken

For the removal of doubt, no entitlement to long service leave (or payment in lieu) arises in respect of Continuous employment for which long service leave has already been taken or payment in lieu of leave has been received.

70.19 Other terms and conditions necessary for this Part

Any other term or condition necessary for the operation of this Part shall be in accordance with the applicable term or condition in the LSL Act.

Part 4 - Common conditions applicable to all Employees

70.20 Payment for period of leave

(a) Payment will be made in one of the following ways:

- (i) in full advance when the Employee commences their leave;
- (ii) at the same time as payment would have been made if the Employee had remained on duty; or
- (iii) in any other way agreed between the Employer and the Employee.

(b) Where an Employee has been paid in advance, and an increase occurs in the ordinary time rate of pay during the period of long service leave taken, the Employee will be entitled to receive payment of the amount of any increase in pay at the completion of such leave.

70.21 Proof of sufficient aggregate of service

The onus of proving a sufficient aggregate of service to support a claim for any long service leave entitlement will at all times rest upon the Employee concerned. A Certificate of Service in accordance with Appendix 6 will constitute acceptable proof.

70.22 Records

The Employer will keep a long service leave record for each Employee, containing particulars of service, leave taken and payments made.

70.23 Transfer of business

Where a Transfer of Business occurs, an Employee who worked with the old Employer and who continues in the service of the new Employer will be entitled to count their service with the old Employer as service with the new Employer for the purposes of this clause.

70.24 Concurrent Service

- (a) Subject to subclause (b), concurrent service with two or more Employers remains separate and distinct.
- (b) If an Award-entitled Employee transfers from an Employer (the first Employer) to a new Employer (the new Employer) as an Award-entitled Employee, but retains concurrent employment with the first Employer as a casual Employee, then the Employee's service with the first Employer may transfer to the new Employer (despite the Employee remaining employed with the first Employer), if:
 - (i) the Employee does not have an entitlement to take long service leave under subclause 70.4(a);
 - (ii) the Employee has not already taken or been paid in lieu of long service leave in respect of the relevant period; and
 - (iii) either:
 - (A) the Employee transfers their entitlement to the new Employer in accordance with subclause 70.8(c) (Election for payment of entitlement or transfer of entitlement at termination); or
 - (B) the second Employer otherwise confirms in writing to the first Employer that the period of service has been so recognised (e.g. in accordance with Appendix 6). For the removal of doubt, where the second Employer recognises the Employee's service with the first Employer, it must provide written notification of its determination to the first Employer.
- (c) If an Award-entitled Employee's long service leave entitlement is transferred in accordance with subclause 70.24(b):
 - (i) the first Employer will no longer be liable for the service, and the long service leave liability for the service as an Award-entitled Employee with the first Employer will transfer to the new Employer;
 - (v) any casual service that occurs with the first Employer after the transfer referred to in subclause 70.24(b) above will be considered separate and distinct service commencing from when the Employee ceased being an Award-entitled Employee with the first Employer, provided that:
 - (A) the qualifying period required to manifest an entitlement to long service leave with the First Employer does not reset (that is, the Employee's prior service with the first Employer can be counted when calculating any future entitlement to long service leave with the first Employer);
 - (B) no benefit to long service leave will arise with the first Employer in respect of the prior period of employment with the first Employer; and

- (C) the Employee's prior service with the first Employer is to be disregarded when calculating the Employee's normal weekly hours with the first Employer (e.g. for the purpose of sections 16 and 17 of the LSL Act).
- (ii) If the Employee is not entitled to transfer their service as an Award-entitled Employee from the first Employer to the new Employer, or does not take the steps required in subclause 70.24(b), the first Employer will, where applicable, make payment in lieu of long service leave for the Continuous Service with the first Employer upon ceasing permanent employment with the first Employer (under subclause 70.8(b) - Basic entitlement at termination of employment).

Example 1:

An Award-entitled Employee is employed at the same time by Employer A, and Employer B.

The Award-entitled Employee accrues service towards long service leave at each of Employer A and Employer B.

If the Award-entitled Employee had been employed by Employer A for 11 years and Employer B for 6 years, the Award-entitled Employee can take LSL from Employer A, but would need to continue working at Employer B until sufficient Continuous Service had accrued.

If the Award-entitled Employee resigned from both Employer A and Employer B, and went to work for Employer C, the Award-entitled Employee could:

- (a) transfer the 6 years' service with Employer B to Employer C; and*
- (b) have the accrued LSL from the 11 years' service with Employer A paid out in lieu on termination.*

Example 2:

An Award-entitled Employee has worked for Employer A for 6 years. On 1 June 2021, the Employee commences employment with Employer B as an Award-entitled Employee. To take up this opportunity, the Employee ceases permanent employment with Employer A. However, the Employee commences a casual employment relationship with Employer A within 12 weeks after resigning from their permanent position with Employer A.

The Employee:

- (a) could transfer the 6 years' service with Employer A to Employer B, and would be eligible to take LSL with Employer B once sufficient Continuous Service had accrued (taking into account the transferred service); and*
- (b) could take LSL on a pro rata basis with Employer A after sufficient Continuous Service had accrued, save that no entitlement would arise in respect of the prior 6 years' service that has been transferred to Employer B.*

70.25 Savings

- (a) No Employee shall suffer any detriment as a result of the operation of this clause to their entitlement to long service leave existing immediately prior to the coming into force of this clause.

71. Blood Donors Leave

Employers will release Employees upon request to donate blood where a collection unit is on site or by arrangement at the local level.

72. Absences on Defence Leave

- (a) A Full-Time or Part-Time Employee absent on defence service will be reimbursed by the Employer an amount equal to the difference between:
- (i) the amount paid in respect of a period during which the Employee was absent on defence service; and
 - (ii) the amount the Employee could reasonably expect to have received from the Employer as earnings for that period had the Employee not been absent on defence service.
- (b) An Employee will notify the Employer as soon as possible of the date they require absence on defence service. The Employee will give the Employer proof that the absence relates to defence service, the duration of such absence and the amount received for the relevant defence service period.
- (c) In this clause '**absence on defence service**' has the meaning contained in section 24A of the *Defence Reserve Service (Protection) Act 2001* (Cth).

Example: The Employee is on Defence Service leave for the duration of a particular pay period. Were the Employee not on Defence Service leave in that pay period they would have worked on the Sunday and Monday evening shift of each week of the pay period. The Employee is entitled to payment as though at work for each of the Sunday and Monday evening shifts, less the amount of payment (not including reimbursements) from the Defence Service for the equivalent time of the Sunday and Monday evening shifts.

72A. Leave to Engage in Voluntary Emergency Management Activities

- (a) An Employee who engages in a voluntary emergency management activity with a recognised emergency management body that requires the attendance of the Employee at a time when the Employee would otherwise be required to be at work is entitled to leave for:
- (i) time when the Employee engages in the activity;
 - (ii) reasonable travelling time associated with the activity; and
 - (iii) reasonable rest time immediately following the activity.
- (b) The Employee must advise the Employer as soon as reasonably practicable if the Employee is requested to attend a voluntary emergency management activity and must advise the Employer of the expected or likely duration of the Employee's attendance. The Employee must provide a certificate of attendance or other evidence of attendance as reasonably requested by the Employer.
- (c) Recognised emergency management bodies include but are not limited to, the Country Fire Authority, Red Cross, State Emergency Service and St John Ambulance.
- (d) An Employee who is required to attain qualifications or to requalify to perform activities in an emergency management body must be granted leave with pay for the period of time required to fulfil the requirements of the training course pertaining to those qualifications, provided that such training can be undertaken without unduly affecting the operations of the Employer.

- (e) The leave under this clause will be paid up to two weeks, save that approval of paid leave is subject to the operational requirements of the Employer resulting from any emergency.
- (f) Nothing in this clause limits the ability of an Employee to be absent from employment for engaging in eligible community service activity in accordance with Division 8 of the Act.

Note: Under the Act, an Employee who engages in an eligible community service activity is entitled to be absent from employment without pay (or in some circumstances, with pay). The relevant period consists of time engaged in the community service activity, reasonable travel time and reasonable rest time. Eligible community service activity means jury service, a voluntary emergency service management activity (such as voluntary work relating to an emergency or natural disaster when performed for a recognised emergency management body - as defined), or an activity prescribed from time to time. There are particular notice requirements so that the employer is advised of the forthcoming absence and how long it is expected to last. For jury service, there are special rules about pay rates, there is a limit of 10 days' paid leave and jury service does not apply to casual Employees. Note also that any more generous State or Territory community service leave entitlements may nevertheless apply.

72B. Special Disaster Leave

- (a) From 24 June 2024, special disaster leave of up to 3 days per occasion is payable where:
 - (i) the Employee is a full-time or part-time Employee;
 - (ii) personal leave is not available either because the Employee has exhausted the accrual or in the circumstance does not qualify for personal leave; and
 - (iii) the Employee is unable to attend work due to a disaster (such as fire or flood) where:
 - (A) the Employee's residence is damaged or under imminent threat of major damage;
 - (B) the lives or safety of their Immediate family or household members are threatened; or
 - (C) there is a formal closure, flooding or other unusual danger of the use of a road(s) which is the Employee's normal travel route to work and no alternative practicable travel route is available.
- (b) Special disaster leave is non-cumulative.
- (c) Where requested by the Employer, the Employee must provide evidence that would satisfy a reasonable person of the reasons for accessing leave under this clause.

73. Cultural and Ceremonial leave

73.1 General

- (b) For the purposes of this subclause, "extended family" has a meaning that recognises that extended families exist within Aboriginal and/or Torres Strait Islander society and obligations of Aboriginal and/or Torres Strait Islander Employees may exist regardless of the existence of a bloodline relationship or not. Family also extends to cover relationships where there is a close association, which need not be a blood relationship.
- (c) Paid Ceremonial Leave will not accrue from year to year and is not paid out on termination of employment.
- (d) Leave granted under this clause is in addition to Compassionate Leave.
- (e) To support the Employee in fulfilling their ceremonial obligations, the Employee may also access any other accrued leave, time in lieu, or otherwise may be granted unpaid leave in accordance with the requirements of those entitlements.

- (c) Leave under this clause will not accrue from year to year and is not paid out on termination of employment.

73A.1 The Employer encourages a culture that is supportive of transgender and gender diverse Employees and recognises the importance of providing a safe environment for Employees undertaking gender affirmation.

73A.3 Employees may give effect to their affirmation in a number of ways and are not required to be undergoing specific types of changes, such as surgery, to access leave under this clause.

73A.4 Amount of gender affirmation leave

- (a) An Employee (other than a Casual Employee) is entitled to Gender Affirmation Leave for the purpose of supporting the Employee's affirmation in accordance with subclause 73A.4(c) below. Gender Affirmation Leave will comprise:
 - (i) up to 20 days' paid leave for essential and necessary gender affirmation procedures; and

- (c) **Essential gender affirmation procedures** may include:
 - (i) medical or psychological appointments; or
 - (ii) hormonal appointments; or
 - (iii) surgery and associated appointments; or
 - (iv) appointments to alter the Employee's legal status or amend the Employee's gender on legal documentation; or
 - (v) any other similar necessary appointment or procedure to give effect to the Employee's affirmation as agreed with the Employer.
- (d) An Employee who is entitled to unpaid Gender Affirmation Leave may, in conjunction with all or part of that leave utilise accrued Annual or Long Service Leave, provided that the combined total of all paid and unpaid leave taken does not exceed 52 continuous weeks. 74. Jury Service

74.1 An Employee required to attend for jury service will be reimbursed by the Employer an amount equal to the difference between:

- (a) the amount paid in respect of attendance for jury service; and
- (b) the amount the Employee could reasonably expect to have received from the Employer as earnings for that period had the Employee not been performing jury service.

74.2 An Employee will notify the Employer as soon as possible of the date they are required to attend jury service. The Employee will give the Employer proof of attendance at the court, the duration of such attendance and the amount received for jury service.

74A Foster and Kinship Care

74A.1 From 24 June 2024, an Employee who provides short-term foster or kinship care as the primary caregiver to a child who cannot live with their parents as a result of an eligible child protection intervention is entitled to up to two days' paid leave on up to five occasions per calendar year to be taken at the time the placement of the child with the Employee commences.

74A.2 For the purposes of this clause Foster and Kinship Care includes:

- (a) Foster Caring, which is the temporary care of a child of up to 18 years of age on a short-term basis by an Employee who is an accredited foster carer;
- (b) Kinship Care, which is temporary care provided by an Employee who is a relative or a member of the child's social network when the child cannot live with their parents; and/or

74A.3 Eligible child protection interventions include emergency respite and short-term or long-term placements on a non-permanent basis, as issued by the Victorian Department of Health, the Children's Court or other similar federal, state or judicial authority.

PART H – EDUCATION AND PROFESSIONAL DEVELOPMENT

75. Professional Development Leave

Other than clause 75.8, this clause does not apply to casual Employees.

75.1 Professional Development Leave

- (a) All Nurses and Midwives must meet the continuing professional development (CPD) standards of the Nursing and Midwifery Board of Australia.
- (b) CPD means activities that maintain knowledge in the Employee's current area of practice, improve and broaden their knowledge, expertise and competence, and develop the personal and professional qualities required through their professional lives. The CPD cycle involves:
 - (i) reviewing practice;
 - (ii) identifying learning needs;
 - (iii) planning and participating in relevant learning activities; and
 - (iv) reflecting on the value of those activities.
- (c) Professional development leave includes conference/seminar leave and may also be utilised for activities including research or home study.

- (b) An Employee who is a Nurse Practitioner will be entitled to a further 10 hours of paid professional development leave per annum.
- (c) The entitlement at (a) above for part-time Employees will be on a pro rata basis.
- (d) Professional development leave does not accumulate from year to year.

75.3 Payment

A day for the purposes of professional development leave is the Employee's normal shift length. For example, a night shift worker who takes professional development leave for a 10-hour night shift is entitled to 10 hours' payment.

75.4 Application

Professional development leave is available only on written application by the Employee. An Employee must apply in writing to the Employer at least six weeks prior to the proposed professional development leave date. If the professional development leave is to undertake home study, the Employee's application will detail the relevance of the study to the Employee's employment.

75.5 Response to application

- (a) An application for professional development leave will be approved by the Employer unless there are exceptional circumstances that justify non-approval.

- (b) The Employer must notify the Employee in writing whether the leave request is approved within seven days.
- (c) If the leave is not approved, the reasons will be included in the notification to the Employee.
- (d) The use of professional development leave is at the sole discretion of the Employee and except for the conditions in this clause, no other conditions attach to the granting of professional development leave.

75.6 Leave not granted

Where a valid application is made for professional development leave (in whole or part) but no leave is granted during the calendar year, one day's leave will be added to the Employee's accrued annual leave, or taken in another manner as mutually agreed between the Employer and the Employee.

75.7 Where leave occurs on a rostered day off

Professional development leave need not take place on a day that the Employee would otherwise work. In those circumstances the Employer will do one of the following:

- (a) allocation of a day's professional development leave paid at the ordinary rate of pay;
- (b) time off in lieu on a mutually agreed day, to be granted within 28 days;
- (c) where time off in lieu is not agreed or does not occur within 28 days, an additional day's ordinary pay; or
- (d) an additional day's annual leave which will not attract leave loading.

75.8 Mandatory Training

- (a) Any education or training deemed compulsory or mandatory by the Employer will occur within an Employee's paid time, and overtime applies where it would otherwise apply. *No deduction will be made to an Employee's annual professional development leave for mandatory training.*

 - (ii) permits variations inconsistent with the minimum ratio requirements prescribed by or made under the Safe Patient Care Act.

93.2 Definitions

In this clause:

- (a) **Affected Employee** means an Employee in the ward or unit to which the proposal relates.
- (b) **EFT neutral** means there is no reduction in nursing hours in a ward or unit as a result of the proposal to exceed the rostered short shift limit at clause 47 (Avoidance and Management of Short Shifts). That is, the nursing hours lost as a result of the additional short shifts are returned to the ward as part of the Proposal within the week of the applicable short shift unless otherwise agreed with the Affected Employees.

93.6 Implementing a complying proposal

(a) **Genuine majority agree**

Except as provided at (c), below, where a genuine majority of Affected Employees agree to a complying proposal at the local level it may be implemented from the beginning of the next roster period. Such agreement will not be unreasonably withheld.

(b) **Disputes**

Should there be concern as to the 'genuine' nature of the agreement of the affected Employee, or agreement being unreasonably withheld, either party may progress such concerns through the Dispute Resolution Procedure within seven days of the view of the Affected Employees being determined. While the Dispute Resolution Procedure is being conducted work will continue normally according to the usual practice that existed before the dispute, until the dispute is resolved.

(c) **Exception – flexible work arrangement**

The requirement at subclause 93.6(a) does not apply where the complying proposal is facilitating a flexible work arrangement within the meaning of clause 16 (Flexible Working Arrangements). Following the consultation period at clause 93.5, a complying proposal facilitating a flexible work arrangement may be implemented from the beginning of the next roster period.

93.7 Meaning of Non-Complying Proposal

- (b) A Care/Ratio Detriment Notice will be filed with the Commission and served on the VHIA, the Department Head of DOH and each Employer to which this Agreement applies.

- (e) The Care/Ratio Detriment Notice will come into effect as follows:
 - (i) The Care/Ratio Detriment Notice will come into effect 7 days after it is filed with the Commission unless, during that 7 day period (**Notification Period**), the VHIA files with the Commission and serves on the Secretary, a consultation request.  - (ii) Upon filing a consultation request pursuant to subclause 105.2(e)(i), a period of 14 days will be allowed for consultation to occur (**Consultation Period**). During the Consultation Period the Secretary or delegate and the VHIA will consult in good faith in relation to the care/ratio change and the Care/Ratio Detriment Notice. The Department Head or delegate of DOH may be involved in these consultations. The Secretary may withdraw the Care/Ratio Detriment Notice at any time during the Consultation Period by filing correspondence to this effect with the Commission and serving it on the VHIA, the Department Head of DOH and each Employer to which this Agreement applies. Unless withdrawn during the Consultation

Period, the Care/Ratio Detriment Notice will come into effect on the day after the end of the Consultation Period.

- (f) The Secretary in determining their satisfaction as to detriment under subclause 105.2(a) will have regard to the following:
 - (i) any representation made by persons affected by the care/ratio impact change;
 - (ii) the likely effect of the care/ratio impact change on the provision of safe patient care;
 - (iii) the likely effect of the care/ratio impact change on nursing/midwifery workloads; and
 - (iv) the purpose and reasons for the care/ratio impact change (if any) provided to the Parliament.
- (g) Nothing in clauses 105.1 or 105.2 or any act or failure to act under clauses 105.1 or 105.2 will be subject to the Dispute Resolution Procedure in this Agreement or otherwise be subject to review.

- (a) sections 3, 4 and 5 of Part 1, Part 2 and Schedules 1, 2 and 3 of the Safe Patient Care Act and any associated regulations as in force immediately prior to:
 - (i) the date the Safe Patient Care Act is repealed or otherwise ceases to operate as a law of the State of Victoria; or
 - (ii) the date of the care/ratio change in respect of which a Care/Ratio Detriment Notice was issued under subclause 105.2(a),will be incorporated as terms of this Agreement with effect from the Incorporation Date;
- (b) the ratios in force by operation of any re-distribution or variation or agreement under Part 2 – Division 4 or by the operation of sections 47, 48 or 49 of the Safe Patient Care Act as in force immediately prior to:
 - (i) the date the Safe Patient Care Act is repealed or otherwise ceases to operate as a law of the State of Victoria; or
 - (ii) the date of the care/ratio change in respect of which a Care/Ratio Detriment Notice was issued under subclause 105.2(a),will be incorporated as terms of this Agreement with effect from the Incorporation Date;
- (c) references in this Agreement to the Safe Patient Care Act, other than the references in clauses 4.4 and 6.4, and clause 105 (Interaction with the Safe Patient Care Act) are to be read as the Safe Patient Care Act as incorporated by subclauses 105.3(a) and 105.3(b) with effect from the Incorporation Date; and
- (d) the Agreement is to operate to the complete exclusion of any inconsistent State laws with effect from the Incorporation Date.

- 105.5** The terms of the Safe Patient Care Act as incorporated into this Agreement pursuant to clause 105.3, will operate in conjunction with the terms of the Agreement, provided that where there is an inconsistency between the Safe Patient Care Act as incorporated and other provisions of this Agreement, the terms of the Safe Patient Care Act as incorporated, will prevail.
- 105.6** Any dispute as to how any provision of the Safe Patient Care Act as incorporated, operates or operates in conjunction with the Agreement, may be progressed through clause 13 (Dispute Resolution Procedure) of this Agreement. In exercising its powers in relation to such a dispute under clause 13, the Commission:
- (a) must take into account the objects of the Safe Patient Care Act as incorporated pursuant to clause 105.3;
 - (b) may, if necessary, take into account the intention of Parliament as expressed in the explanatory memorandum to the *Safe Patient Care (Nurse to Patient and Midwife to Patient Ratios) Bill 2005* (Vic); and
 - (c) may only, if the dispute is in respect of a variation to the ratios made in accordance with the Safe Patient Care Act as incorporated by clause 105.3, consider whether consultation in good faith has occurred. Accordingly, clinical aspects of the variation remain the sole responsibility and accountability of the Employer and are not subject to consideration by the Commission.

107. Midwifery Continuity of Care Models

107.1 Safe Patient Care Act

Nothing in this clause permits variations inconsistent with the minimum ratio requirements prescribed by or made under the Safe Patient Care Act.

107.2 Definition

- (a) **Local Health Agency Committee (LHAC)** means a committee comprising equal numbers of local ANMF representatives and local Employer representatives.
- (b) **Continuity of Care Model** includes:
 - (i) Midwifery group practice – caseload;
 - (ii) MAPS – caseload of antenatal, postnatal and domiciliary care provision, provided that the following sub-clauses do not apply to a MAPS model:
 - (A) subclause 107.3(d)(i);
 - (B) clause 107.7A (Commuted loading review); and
 - (C) subclause 107.4(d) (caseload).

107.3 Introducing a Midwifery Continuity of Care Model

- (a) An Employer may propose to introduce a Midwifery Continuity of Care Model (**Proposal**).
- (b) The Employer will notify:
 - (i) the LHAC; and
 - (ii) the ANMF Secretary in writing.
- (c) The LHAC will be consulted on the Proposal. Consultation timelines are to be consistent with the inductive timelines in clause 11.
- (d) The LHAC will be consulted on:
 - (i) flexibility and frequency of on call in relation to EFT/Caseload;
 - (ii) full indemnity arrangements to be maintained by the Employer; and
 - (iii) clinically effective arrangements that are maintained and/or adapted to ensure optimal client outcomes at all times.
 - (iv) The Proposal will ensure that handover to another midwife (which may include a midwife not participating in the model) will be available between 8 and 12 hours of duty.

- (v) Professional development support to be available as per this Agreement, with additional support to be agreed between the Employer and Employee, as required.
- (vi) Appropriate occupational health and safety provisions, including no lift/violence and aggression/communication/equipment/etc.
- (vii) The four (4) days clear off duty and on call provided for in this Agreement to apply.
- (e) Following consultation with the LHAC, the Employer will distribute the Proposal, including any amendments arising from consultation, to affected midwives (including those midwives who may not participate in the model).
- (f) All proposals must take into account and address the matters set out at clause 107.4 below.
- (g) Details of arrangements for midwives not entering the new model will be contained within the Proposal. Whether working in a new model or not, arrangements will be such that midwives can have access with their Employer and be able to perform the range of midwifery duties at an equivalent level to the access and performance provided prior to the implementation of the model in order to maintain their skill base.
- (h) Any subsequent changes in a Midwifery Continuity of Care Models must only occur following further consultation with the ANMF and affected Employees and in compliance with this clause.

107.4 Guidelines for Midwifery Continuity of Care Models

The guidelines for Midwifery Continuity of Care Models are as follows:

- (a) Models should aim for continuity of care including pregnancy care, labour and birth care, post-natal and community care.
- (b) Changes to employment patterns (including hours) will be agreed as part of the consideration of a proposal and entitlements will apply in accordance with the new pattern of work (including hours), and this clause 107. For midwives not entering the model, existing work patterns (including hours) and entitlements will continue unless otherwise agreed between the Employer and the midwife.
- (c) Where the model is not embedded within a full maternity service (i.e. a major regional or metropolitan health service) it is recognised there may not be on-site back up from other suitably qualified and skilled midwives (including midwives not participating in the model). In these circumstances, the LHAC Proposal and consultation must address appropriate back up and support at all times, including the ability to hand over to other suitably qualified and skilled midwives (including midwives not participating in the model). For example, the arrangements should include suitable provisions consistent with the operation of the model to provide back-up, support and relief for circumstances such as meal breaks, emergency assistance, birthing assistance etc.
- (d) The caseload per one EFT midwife will not exceed 45 women (booked in) per annum, with proportional caseloads to be allocated to part-time midwives.
- (e) Local arrangements are to be agreed by the LHAC and resourced by the Employer to ensure compliance with this clause.
- (f) Average full-time day of 8 hours to be the standard objective with an absolute maximum of 12 hours.

- (g) Midwives to be provided with sufficient flexibility to meet client needs in accordance with local arrangements and this clause.
- (h) Appropriate managerial and midwife classification structure to be included in the model, taking into account the extent and size of the model and its interrelationship with existing maternity services at the local facility, the midwifery career structure and this Agreement.
- (i) Vehicle provided or relevant vehicle allowance payable.
- (j) The model will not in any way operate to reduce or preclude the provision of MCH nursing services to clients.
- (k) The model must clearly and explicitly outline the inter-relationship between the existing maternity services (and, if necessary, existing services related to maternity services) and the proposed model.

107.5 Remuneration and other entitlements

- (a) Midwives participating in the Midwifery Continuity of Care Model (other than MAPS) will receive a commuted loading on salary, based on the actual number and pattern of hours worked, in lieu of applicable:
 - (i) public holiday penalties;
 - (ii) Saturday and Sunday penalties;
 - (iii) recall and overtime;
 - (iv) on call allowance;
 - (v) shift allowance;
 - (vi) telephone recall; and
 - (vii) annual leave loading paid as "projected roster".
- (b) The commuted loading under this clause is the greater of:
 - (i) 32% of the Employee's salary; or
 - (ii) if at the time the 2020 Agreement came into effect the Employee receives a commuted loading greater than 32%, that loading.
- (c) All other entitlements set out in this Agreement will apply.
- (d) The commuted loading will be paid in addition to the ordinary time rate of pay during all periods of annual leave.
- (e) Midwives working in the **Continuity of Care Model** will have a separate roster and are on call for their caseload.

107.7A Commuted loading review

In the first six months of this Agreement, the VHIA, on behalf of the Employers, and the ANMF, on behalf of the Employees, will jointly undertake audits of Employers using Commuted Loading to determine if the percentage loading accurately reflects the following entitlements otherwise payable, recognising that some of the provisions below have changed in this Agreement:

- (a) public holiday penalties;
- (b) Saturday and Sunday penalties;
- (c) recall and overtime;
- (d) on call allowance;
- (e) shift allowance;
- (f) telephone recall; and
- (g) annual leave loading paid as "projected roster".

If the review shows that a loading of greater than 32% more properly reflects the above entitlements otherwise payable, the higher rate will be payable effective 1 May 2024. A dispute that cannot be resolved between the ANMF and the VHIA about this review will be managed in accordance with subclause 14.1(e).

107.7B Midwives not in the model

Participation in the model for midwifery staff is voluntary. Subject to operational requirements (e.g. where a midwife has been replaced on the ward whilst participating in the model) midwives will be able to elect to participate/cease participating in the model provided adequate notice is provided. No midwife will lose their job by reason of the introduction of a Continuity of Care Model.

107.6 Advertising Positions in the Model

Once a proposal has been implemented by an Employer in accordance with this clause, the Employer will be entitled to advertise for new Employee midwives to participate exclusively in the model(s) and subclause 107.7(a) above will not apply, i.e. the newly employed midwives would not be able to elect to cease participating in the model.

107.7 Evaluation

- (a) Where a Midwifery Continuity of Care Model is introduced, nursing/midwifery management, ANMF nominated representatives and relevant staff will:
 - (i) during the first 12 months conduct an informal review on a monthly basis; and
 - (ii) no later than 12 months after the introduction of the model, conduct a comprehensive formal review with further reviews at agreed intervals thereafter.

107.8 Ward shifts for midwives employed in a Midwifery Continuity of Care Model

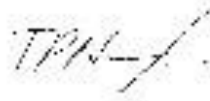

For the purpose of clause 41A, the Continuity of Care model will be considered the Employee's Base Ward.

107.9 Dispute Resolution

- (a) In the event of any dispute arising between an Employer and the ANMF relating to the continuation or implementation of midwifery continuity of care models, the review at clause 107.7 above, and this clause, it will in the first instance be referred to the ANMF/VHIA/DOH for consideration and consultation.
- (b) In the event the dispute is unable to be resolved in accordance with subclause 107.9(a) above, it will be processed as a collective dispute in accordance with the Dispute Resolution Procedure of this Agreement.
