

## Compliance snapshot 2022

This is a point in time document that was published by the Registered Organisations Commission which has now been abolished.

The Registered Organisations Commission (ROC) helps registered organisations comply with the requirements of the Fair Work (Registered Organisations) Act 2009 (the RO Act). We monitor their performance to inform our priorities, services and other activities. Below is a snapshot of compliance in the 2021–22 financial year. Registered organisations can use this data to understand their achievements and priorities and discover how they compare with other organisations during the 12-month period. You may also find a new resource to help you with your compliance obligations.
