Dear Vice President Watson,

The Commission is currently considering whether it would be of assistance to provide submissions in reply.

Unfortunately, due to limited resources and staff members on leave over the school holidays, it will not be in a position to provide these by 4 October.

Could you please let me know whether it would be possible to provide submissions in reply at a later stage in the proceedings. For example, would it be possible to provide further written submissions either by 28 October or at the conclusion of the hearing?

Please contact me if you require any further information.

Yours sincerely

Bronwyn
