Dear Justice Ross,

Re: AM2016/8

We refer to the directions of 15 August 2016 in the above matter in which submissions in reply were to be made by 13 October 2016.

We are not seeking to make comprehensive submissions but would ask the Full Bench to accept our position in relation to the submissions made by the Australian Industry Group ('AIG') and Australian Business Industrial ('ABI').

The Transport Workers' Union ('TWU') opposes the applications by AIG and ABI and generally supports the submissions made by the union parties.

The TWU has an interest in the following awards in which all awards with the exception of the Airlines Operations-Ground Staff Award 2010 make provision for payment of wages on termination of employment.

Road Transport and Distribution Award 2010
Road Transport (Long Distance Operations) Award 2010
Passenger Vehicle Transportation Award 2010
Transport (Cash in Transit) Award 2010
Waste Management Award 2010
Airline Operations-Ground Staff Award 2010

Yours sincerely,
