Subject: RE: AM2021/72 - Proposed On Demand Delivery Services Award

Dear Associate

We have had discussions with a senior representative of the Australian Industry Group (AiG). From that discussion, we believe that AiG's position in relation to the matters in contention about Award coverage accord with our position. We therefore indicate that we will not file a submission and that we will not appear at the mention on 1 December 2021 or at the substantive hearing on 6 December 2021.

Regards
