**Subject:** Seeking permission to make a late submission

Hello

In previous years the South Australian Government has made a submission to the FWC Annual Wage Review.

The timing of the SA State Election this year (with caretaker period to commence on 19 February) will make very difficult for us to have our submission drafted (and through internal approvals) and submitted by the deadline of 25 March 2022.

In the circumstances, would it be possible for us to lodge a concise submission before the deadline published for supplementary submissions (13 May 2022)?

Your consideration of this request is greatly appreciated.

Best regards  
Matthew.
